## THE NATIONAL REPORT ON ILLEGAL LOGGING

(Prepared by Dr. Martin Moravcik, Forest Research Institute Zvolen, Slovak Republic)

### Summary\*

The national report aims to reflect the extent of illegal logging in Slovakia, the regions with high cases of illegal logging, the groups of population committing it and those that are affected, and other factors that contribute to the problem. It also identifies and reviews currently valid legal provisions aimed at preventing it. It also reflects the proposed mechanisms for monitoring and measures to address the illegal logging.
