REPORT OF THE SECRETARY-GENERAL ON THE SITUATION IN CYPRUS

Addendum

Since the completion of my last report on the situation in Cyprus (S/6881) at 1300 hours EST on 5 November 1965, I have received a message from my Special Representative and the Commander of the United Nations Force in Cyprus informing me that as of 2007 hours GMT, on 5 November, the cease-fire in the Famagusta area was being observed. Both sides, they indicated, had issued strict orders for compliance with the cease-fire, although their attitude towards it would be judged "more explicitly" after nightfall.
