TRUSTEESHIP QUESTIONNAIRE

Union of Soviet Socialist Republics: proposed additional questions

1. Add the following questions to item 136 of the Trusteeship Questionnaire:

Is there any discrimination in the Territory against any of the various groups of the population on the basis of language, race, sex or religion in regard to:

- (a) legal rights, and in particular the right to acquire and own land and other real property, freedom of movement, and the right to choose one's residence or profession?
- (b) access to employment in any administrative or judicial capacity?
- (c) access to all types of education?
- (d) medical services?

2. Add the following question to item 137 of the Questionnaire:
How many newspapers are published in the indigenous languages and what is their circulation?

3. Add the following questions to item 140 of the Questionnaire:
- (a) Are there any trade unions in the Territory and, if so, what are they?
 - (b) How many indigenous workers and employees are trade union members?
 - (c) To what extent do the indigenous inhabitants participate in voluntary organizations and their governing bodies?
