SUBSIDIARY BODY FOR IMPLEMENTATION

Twenty-fourth session

Bonn, 18–26 May 2006

Item 13 (a) of the provisional agenda

Administrative, financial and institutional matters

Budget performance for the biennium 2006–2007

Status of contributions as at 30 April 2006

Note by the secretariat

1. This document contains information on the status of receipt of contributions to the United Nations Framework Convention on Climate Change (UNFCCC) trust funds as at 30 April 2006. For purposes of clarity the status of contributions to the Kyoto Protocol is reported separately to the status of contributions to the Convention.
2. Table 1 lists all 189 Parties to the Convention and shows the expected and received contributions during 2006 and the net outstanding balances due to the Trust Fund for the Core Budget. 70 Parties have paid their contribution for 2006, which represents 36 per cent of the indicative contributions for this year. Parties are listed in Table 2 in 12 groups according to their status of contributions paid to the core budget for the Convention.
3. Table 3 lists all 162 Parties to the Kyoto Protocol and shows the expected and received contributions during 2006 and the net outstanding balances due to the Trust Fund for the Core Budget. 46 Parties have paid their contribution for 2006 representing 49 per cent of the indicative contributions for this year. Table 4 lists Parties in three groups according to their status of contributions paid to the core budget for the Kyoto Protocol.
4. Tables 5 and 6 report on contributions received in the biennium 2006–2007 for the Trust Fund for Participation in the UNFCCC Process and the Trust Fund for Supplementary Activities, respectively. Only three contributions to the Trust Fund for Participation have been received this year. These contributions, together with available resources from the previous biennium, have helped to fund participation at the twenty-fourth sessions of the subsidiary bodies. Additional contributions are required for the secretariat to maintain its funding level for participation at the twelfth session of the Conference of the Parties and the second session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol.

Note: Figures in parentheses indicate credits, which will be regarded as advance payments against contributions for future years.

^a Contributions become due on the date of entry into force for each Party. Asterisks indicate contributions that will become due later than 30 April 2006. This will necessitate a recalculation of contributions for 2006 to the Kyoto Protocol later in the year.
