Article C

1. In the first paragraph of this article, add between the words "to the specialized agency" and "in respect of matters", the following words: "at the same time as to the Secretary-General".

2. Replace Article C, paragraph 2, by the following:

"2. The specialized agencies shall in turn furnish the Economic and Social Council with reports on the progress made in the implementation of human rights coming within their respective spheres, and in particular, those rights set forth in this Covenant. They shall include in their reports particulars of decisions and recommendations on such implementation adopted by their competent organs.

The method of presentation of these reports, and the time limits to be observed, shall be laid down in special agreements to be concluded between the Economic and Social Council and the specialized agencies."
