On the basis of resolution 31/150 adopted by the General Assembly on 20 December 1976 and other resolutions of the General Assembly, this map represents an official United Nations map of Namibia and supersedes any other map on Namibia or South West Africa hitherto published by South Africa.

The delineation of the boundaries between Namibia and neighbouring countries and the names shown on this map do not imply official endorsement or acceptance by the United Nations as they are to be determined by the independent government of Namibia.
