ECONOMIC COMMISSION FOR EUROPE

INLAND TRANSPORT COMMITTEE

World Forum for Harmonization of Vehicle Regulations

One-hundred-and-forty-seventh session
Geneva, 10-13 March 2009
Item 5.1 of the provisional agenda

1998 AGREEMENT (GLOBAL)

Status of the Agreement

Status of the Agreement, of the Global Registry and of the Compendium of Candidates

Note by the secretariat */

This document contains registers developed in the framework of the 1998 Agreement. The registers contain information concerning the status of the Agreement as available to the secretariat at 2 March 2009. The Notifications concerning the global registry, reported in each gtr table, are those delivered to the secretariat through the electronic system "1998 AGREEMENT-MISSIONS List".

*/ In accordance with the programme of work of the Inland Transport Committee for 2006-2010 (ECE/TRANS/166/Add.1, programme activity 02.4), the World Forum will develop, harmonize and update Regulations in order to enhance performance of vehicles. The present document is submitted in conformity with that mandate.

EXPLANATORY NOTES:

This document contains the following registers:

1. Amendments to the Agreement

Amendments to the Agreement and their documental history.

2. Contracting Parties

List of the Contracting Parties to the Agreement, indicating also the legal history of their adhesion or withdrawal as well as the extensions of the Agreement to their territories.

3. Global technical regulations (gtrs) established in the Global Registry

List of the gtrs established in the Global Registry.

4. Notifications concerning the Global Registry

References by gtr to the notifications received from the Contracting Parties to the Agreement and Notifications made by the Secretariat, in conformity with Article 7 of the Agreement. Notifications are identified by their date, nature and entries by the appropriate paragraph(s) of the gtr, if appropriate.

5. Documentation concerning global technical regulations

Symbols of the documents representing the different stages in the development of the gtrs and their amendments, with references to the AC.3 sessions at which they were considered and adopted.

6. Candidates for global technical regulations

6.1. UNECE Regulations annexed to the 1958 Agreement

UNECE Regulations annexed to the 1958 Agreement are candidates for harmonization or adoption as global technical regulations.

6.2. Technical regulations listed in the Compendium of Candidates

Situation of technical regulations listed in the Compendium of Candidates, the documents appended to them in conformity with Article 5 of the Agreement, as well as documental history of their adoption, withdrawal or reaffirmation.

Note concerning document symbol: Up to 1 January 2006, the documents' symbol read TRANS/WP.29/.... Afterwards the symbol was changed to ECE/TRANS/WP.29/....
