PROPOSED PROGRAMME BUDGET FOR THE BIENNIUM 1978-1979

Revised estimates under income section 2, General Income

Report of the Secretary-General

It had been anticipated a reimbursement in the amount of \$339,100 would be received from the International Fund for Agricultural Development (IFAD) during the current biennium to cover expenses incurred by the Organization, in the first instance, in respect of the United Nations Conference on the Establishment of IFAD and the Preparatory Commission of the Fund. Since the Fund has not yet become operational, this payment is not expected to be forthcoming until the next biennium. The estimates for 1978-1979 under income section 2, General Income, should accordingly be increased by an equivalent amount of \$339,100.
