Forty-second session
FIRST COMMITTEE
Agenda item 66 (g)

REVIEW OF THE IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS
ADOPTED BY THE GENERAL ASSEMBLY AT ITS TENTH SPECIAL SESSION:
NON-USE OF NUCLEAR WEAPONS AND PREVENTION OF NUCLEAR WAR

Cuba, German Democratic Republic, Hungary and Romania:
draft resolution

Non-use of nuclear weapons and prevention of nuclear war

The General Assembly,

Recalling that, in accordance with paragraph 20 of the Final Document of the Tenth Special Session of the General Assembly, 1/ the first special session devoted to disarmament, effective measures of nuclear disarmament and the prevention of nuclear war have the highest priority and that this commitment was reaffirmed by the Assembly at its twelfth special session, the second special session devoted to disarmament,

Recalling also that, in paragraph 58 of the Final Document, it is stated that all States, in particular nuclear-weapon States, should consider as soon as possible various proposals *designed to secure* the avoidance of the use of nuclear weapons, the prevention of nuclear war and related objectives, where possible through international agreement, and thereby ensure that the survival of mankind is not endangered,

Reaffirming that the nuclear-weapon States have the primary responsibility for nuclear disarmament and for undertaking measures aimed at preventing the outbreak of nuclear war,

1/ Resolution S/10-2.

Convinced that it is possible and necessary for mankind to block the way to a nuclear catastrophe and that the renunciation of the first use of nuclear weapons is a most urgent measure to this end,

Stressing that a nuclear war cannot be won and must never be fought,

Recalling that in the Political Declaration adopted at the Eighth Conference of Heads of States or Government of Non-Aligned Countries, held at Harare from 1 to 6 September 1986, all nuclear-weapon States were called upon to enter early into an internationally binding commitment not to be the first to use or to threaten to use nuclear weapons, 2/

Emphasizing that for the sake of international peace and security, military concepts and doctrines must be of a strictly defensive character,

1. Considers that the solemn declarations by two nuclear-weapon States made or reiterated at the twelfth special session of the General Assembly, concerning their respective obligations not to be the first to use nuclear weapons, offer an important avenue to decrease the danger of nuclear war;

2. Expresses the hope that those nuclear-weapon States that have not yet done so would consider making similar declarations with respect to not being the first to use nuclear weapons)

3. Requests the Conference on Disarmament to commence negotiations on the item "Prevention of nuclear war" of its agenda and to consider, inter alia, the elaboration of an international instrument of a legally binding character laying down the obligation not to be the first to use nuclear weapons;

4. Decides to include in the provisional agenda of its forty-third session the item entitled "Non-use of nuclear weapons and prevention of nuclear war".

2/ See A/41/697-5/18392, annex, sect. T, para. 47.
