4. Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women

Article 18 of the Convention provides that States parties to the Convention shall submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and other progress made in that respect. Reports are to be submitted within one year after the entry into force of the Convention for the State concerned and thereafter at least every four years and, further, whenever the Committee requests.

The reports of the following States are scheduled to be considered at the fifty-first session of the Committee: Algeria, Brazil, Congo, Grenada, Jordan, Norway and Zimbabwe.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. A pre-session working group of the Committee is convened before each session to prepare a list of issues and questions relating to reports for transmission to the States parties before the meetings at which their reports are to be considered. The pre-session working group for the fifty-first session met in New York from 1 to 5 August 2011.
