COMMENTS RECEIVED FROM GOVERNMENTS ON THE SUBJECT
OF THE DRAFT PROTOCOL RELATING TO THE STATUS OF
STATELESS PERSONS

FRANCE

Corrigendum

The first preambular clause of the revised text of the Protocol relating to the status of stateless persons, which reads:

"Noting the existence of a number of persons, referred to as stateless persons, to whom domestic legislation relating to nationality applies;"

should read:

"Noting the existence of a number of persons not covered by any domestic nationality law and designated by the term 'stateless persons'".
