REPORT OF THE COMMISSION ON HUMAN RIGHTS

Chapter VI: Draft Declaration on the Right of Asylum

Observations of Governments

Note by the Secretary-General

The Secretary-General has received a communication concerning the draft declaration on the right of asylum from the Government of the Federation of Malaya. This brings to ten the number of replies received from governments on this topic.

Federation of Malaya (21 June 1960)

(Original: English)

The Federation Government has studied the declaration very carefully, and finds that it has no further views to offer. The amended article 3 meets the objections raised in the Minister's Note No. SR(800)826/7/10 dated 27 June, 1959.*
