

Legal and Technical Commission

Distr.: Limited
6 June 2005

Original: English

Eleventh session

Kingston, Jamaica
15-26 August 2005

Provisional agenda

1. Opening of the session.
 2. Adoption of the agenda.
 3. Election of the Chairman and the Vice-Chairman.
 4. Consideration of the annual reports of contractors submitted pursuant to the Regulations on Prospecting and Exploration for Polymetallic Nodules in the Area.
 5. Review of an application for the approval of a plan of work, and recommendation to the Council (if, as expected, an application is submitted before the eleventh session).
 6. Information and recommendations of the workshop on polymetallic sulphides and cobalt-rich crusts — their environment and considerations for the establishment of environmental baselines and associated monitoring programme for exploration.
 7. Update on progress with the geological model for the Clarion-Clipperton Zone and on the Kaplan project on the study of the biodiversity in the Clarion-Clipperton Zone.
 8. Other matters.
