2. Agreements were signed or Letters of Instruction were issued prior to 31 December 1972 committing 1973 funds in the amount of \$1,304,300.
3. After a thorough review of outstanding loan balances, it was established that several amounts, totalling \$185,790, should not have been recorded as loans recoverable by UNHCR. Of this, \$185,631 represent balances intended to revert to revolving loan funds operated by agencies in France and Argentina, and \$159 represent adjustments in the balances on projects implemented in Greece and Spain.
