## 2012 年 8 月 8 日苏丹常驻联合国代表给安全理事会主席的信

继我 2012 年 5 月 25 日关于非洲联盟高级别执行小组主席塔博·姆贝基提交的地图的信(S/2012/366)，谨转递联合国苏丹特派团(联苏特派团)联合监测和协调办事处的报告副本，其中载有停火联合军事委员会第 134 次会议记录(见附件)。这次会议是 2011 年 1 月 24 日和 25 日期间举行的，苏丹政府和当时的南苏丹政府认可并签署了报告。

另提请安理会成员注意报告第 4 页所述的苏丹人民解放军(苏丹解放军)在基尔河/阿拉伯河地区的存在、背景和评价，包括以下几点：

## 背景

- 2010 年 12 月 21 日高级苏丹武装部队停火联合军事委员会成员向部队指挥官提出指控信
- 指控涉及苏丹解放军部队在位于 1956 年 1 月 1 日线以北 30 公里的基尔河地区的存在
- 2010 年 12 月 1 日停火联合军事委员会调查组确证了苏丹解放军在上述地点的存在

## 评价

- 根据联合国地图中禁止地雷运动的划界，南方人民解放军部队进入北苏丹以北 30 公里
- 根据《全面和平协定》，这一存在明显违反了协定
- 此为有争议的边界地区之一，均应由边界委员会处理。

请将本文件及其附件作为安全理事会文件分发给荷。

The Ceasefire Joint Military Committee Meeting was held on 24<sup>th</sup> and 25<sup>th</sup> January 2011 in Khartoum, Sudan. The following issues were discussed.

| Item | Agenda Item   | Lead     |
|------|---|----------|
| 1.   | <p><b><u>Introduction</u></b></p> <p>The Chairman began the 134th CJMC Meeting by welcoming everyone and mentioned that he was happy that the Referendum was relatively quiet with very few problems. He also bid farewell to Sqn Leader Jeremy Riley and Lt Cdr Khan Shoyeb. He thanked them for their hard work at JMCO and wished them a good trip home. He thanked everyone for their cooperation during the Referendum and during past CJMC meetings. He hoped that this spirit of cooperation will continue.</p> <p>Senior SPLA CJMC Member wished everyone well. He thought that the Referendum had gone very smoothly and that it was something that South Sudan should be proud of. There was a lot of cooperation between different organizations in order to achieve this. He hoped that the announcement of the Referendum results will also go peacefully. He proposed that CJMC should talk about future affairs. He thanked the individuals who have been involved in this process for the past five to six years.</p> <p>The Senior SAF CJMC Member praised Allah and the Prophet. He also welcomed everyone and may peace be with them. He wished those who were leaving the mission, to have a safe journey home and thanked them for their work at JMCO. He believed that most people did not expect the Referendum to be so peaceful and he hoped that this will continue within the country.</p> <p>The Chairmen provided both parties with a copy of the KADUGLI agreement.</p> | Chairman |
| 2.   | <p><b><u>Review of the Minutes from the Previous CJMC Meeting</u></b></p> <p>A. The CJMC accepted the written Minutes of the 133rd CJMC (01-11).</p>  | SSO Ops  |
| 3.   | <p><b><u>Forces</u></b></p> <p>A. <b><u>Redeployment</u></b></p> <p>SAF is at 100% and the SPLA is at 37.7%. The figures are unchanged from the last meeting, but the work is still going on with this issue.</p>   |          |
| 4.   | <p><b><u>CJMC Action Items</u></b></p> <p>A. <b><u>CJMC Visits to Sensitive Areas</u></b></p> <ul style="list-style-type: none"> <li>• Visits have been conducted and planned, but they have proved difficult to program. Emergency visits have been conducted. Continued incidents give cause for concern and may warrant visits to build confidence and ease tensions.</li> <li>• The 133rd CJMC decided to revisit the subject of CJMC visits at the 134th CJMC Meeting.</li> </ul>  |          |

The Senior SPLA CJMC Member stated that he had no problems with CJMC being on standby to conduct visits to various sites, at short notice. The same was agreed to by the Senior SAF CJMC Member.

**Decision:**

- i. CJMC decided to remain on stand-by to conduct visits at short notice to sensitive areas or emergencies as they arise.

**B. Alleged Build up of SAF in DIFFRA Oil Fields - Sector VI**

**Background:**

- Allegation that SAF were building up forces in the guise of Oil Police at Diffra.
- Attempts to conduct M&V have been turned away by the Oil Police.
- The 132nd CJMC decided to refer this issue to the CPC to ensure that the oil field security directives are implemented. In addition:
  - CJMC directed Sector VI to carry out M&V of the DIFFRA Oil fields to ascertain the security apparatus through liaison with Oil Police HQ at HIGLIG, to verify any presence of SAF within the security forces.
  - CJMC requested the Senior SAF CJMC Member to facilitate the M&V of the DIFFRA oil fields.

**Update:**

On 22 Nov 10, Sector VI wrote a letter of request to the Oil Police Commander at HIGLIG. Indications were that Oil Police Commander is to refer the request to his superiors. The response is still awaited and consequently M&V is yet to be conducted.

The 133<sup>rd</sup> CJMC decided to await the M&V by Sector VI.

**Conclusion:**

- All available facts have been recorded and passed previously to the CPC.
- The status of Oil Police, their Authority and Chain of Command all fall within the civil domain.
- M&V of the DIFFRA Oil fields is unlikely without sanction from higher civilian authority.

The Chairman mentioned that we should not make this a complicated issue. The KADUGLI Agreement was signed by both parties at the political level. UNMIS and the JIU were also involved. He then suggested that both parties should address the issue in light of the above agreement.

Both the parties agreed that the above issue should be now dealt in light of the KADUGLI agreement as suggested by the Chairman.

**Decision:**

- ii. CJMC decided to refer this issue to the CPC for further guidance, with

the recommendation that this issue of the DIFFRA Oil Police be addressed in the light of the KADUGLI and the FULUJ agreements.

**C. SPLA Presence in KIIR ADIM / BAHAR EL ARAB Area – Sector II**

**Background:**

- A letter of complaint was raised to the FC by Senior SAF CJMC Member on 21 Dec 2010.
- The complaint pertains to the presence of SPLA Troops in the area of BAHAR KIIR which is 30 Km to the North of line 1-1-56.
- The presence of the SPLA at the location mentioned has been verified by the CJMC investigation team on 01 Dec 2010.

**Assessment:**

- Based on the demarcation of the CBL on UN maps the SPLA troops are 30 Km North into North Sudan.
- As per the CPA this presence is a clear violation.
- This is one of a number of contested Border areas. All of them should be addressed by the border Commission.

The Senior SPLA CJMC Member stated that they have not received the SAF letter of complaint as normal procedure and demanded that they be served with this letter to enable them to study it and respond by the next CJMC meeting. The Chairman stated that as a one time measure, the letter be provided to the Senior SPLA CJMC Member for due consideration.

**The 133<sup>rd</sup> CJMC decided to serve the letter of complaint to the Senior SPLA CJMC Member and to discuss this issue at the next CJMC.**

The Senior SPLA CJMC member recommended that this issue should be raised to the CPC for further guidance. The Senior SPLA member stated that the troops had been in that area since 2005 and the SPLA forces were to withdraw from this area then the same was to be applied to the rest of the contested areas. The Border Commission work / findings should settle this and other issues related to the contested border areas.

The Senior SAF CJMC Member said that this area is 30 Km North of the 1-1-56 Line. The UN Maps is what the CPA was based on and the SPLA troops located at KIIR ADIM / BAHAR EL ARAB, is a clear violation of the CPA. He also requested the SPLA to withdraw the troops from that area. They agreed that this is one of the contested areas that the Border Commission and CPC should decide on.

The Chairman mentioned that we should refer this issue to the CPC and allow the Border Commission to complete their work.

**Decisions:**

- iii. **CJMC decided to refer this issue to the CPC.**
