Related Matters in the Near and Middle East****Forty-seventh session**

Item 7 of the provisional agenda\*\*

**Organization of the forty-eighth session of the  
Subcommission****Draft provisional agenda for the forty-eighth session of the  
Subcommission****Note by the Secretariat**

1. Representatives whose Governments wish to host the forty-eighth or subsequent sessions of the Subcommission on Illicit Drug Traffic and Related Matters in the Near and Middle East are invited to inform the Subcommission. That information will be brought to the attention of the Commission on Narcotic Drugs at its fifty-sixth session, in 2013.
2. The draft provisional agenda for the forty-eighth session of the Subcommission<sup>1</sup> is annexed to the present note.
3. Item 4 of the provisional agenda for the forty-eighth session of the Subcommission will be devoted to the examination of the status of implementation of the recommendations adopted by the Subcommission at its forty-sixth session. In order to facilitate reporting, a questionnaire concerning action taken by Governments to implement those recommendations will be transmitted prior to the forty-eighth session.
4. At the fortieth session of the Commission on Narcotic Drugs, the view was expressed that the recommendations adopted by the meetings of the subsidiary bodies of the Commission would remain meaningless if Governments did not take action, including, where necessary, the enactment of domestic legislation, to implement those recommendations.

\* Arabic, English and Russian are the working languages of the subsidiary body.

\*\* UNODC/SUBCOM/47/1.

<sup>1</sup> To be issued subsequently as UNODC/SUBCOM/48/1.

5. States members of the Subcommittee are urged to conscientiously and promptly implement those recommendations so that an effective evaluation of their progress can be made.
6. It would be highly desirable for the Subcommittee at its forty-seventh session to identify the topics that would be most appropriate for consideration by working groups at its forty-eighth session. Alternatively, the Subcommittee may decide to request the Secretariat to informally consult member States of the region with a view to identifying topics for consideration by working groups.
