PROGRAMME BUDGET FOR THE BIENNIUM 1984-1985

Programme budget implications of the draft resolution
contained in document A/39/L.26Report of the Fifth CommitteeRapporteur: Mr. Ali Achraf MOJTAHED (Islamic Republic of Iran)

1. At its 47th meeting, on 12 December 1984, the Fifth Committee, pursuant to rule 153 of the rules of procedure of the General Assembly, considered the statement by the Secretary-General (A/C.5/39/84) on the programme budget implications of the draft resolution in document A/39/L.26. The related report of the Advisory Committee on Administrative and Budgetary Questions was presented orally by its Chairman.
2. Statements and comments made in the course of the Committee's consideration of this item are reflected in the relevant summary record (A/C.5/39/SR.47).

DECISION OF THE FIFTH COMMITTEE

3. The Fifth Committee decided, without objection, to inform the General Assembly that, should it adopt the draft resolution in document A/39/L.26, no additional appropriations would be required at this stage under the programme budget for the biennium 1984-1985.

4. Conference-servicing requirements would arise which are estimated, on a full-cost basis, at \$689,600. The actual additional appropriations that might be required in that respect would be considered in the context of the consolidated statement of conference-servicing requirements to be submitted at a later stage during the current session.

5. Requirements for 1986 would be considered in the context of the proposed programme budget for the biennium 1986-1987.
