REPLIES RECEIVED FROM GOVERNMENTS

Ghana 2

GHANA

[Original: English]

[5 April 1989]

After studying the Treaty on Principles Governing the Activities of States in the Exploration and Use of Outer Space, Including the Moon and Other Celestial Bodies, it is our opinion that the contents thereof are not in conflict with any enactment for the time being in force in Ghana.

We also wish to state that no enactment has been made in Ghana which seeks to regulate the subject-matter of the above-mentioned Treaty.
