REVIEW OF THE IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS
ADOPTED BY THE GENERAL ASSEMBLY AT ITS TENTH SPECIAL SESSION

Algeria, Argentina, Bangladesh, Cuba, Cyprus, Egypt, German Democratic Republic, Ghana, Guinea, Indonesia, Jamaica, Mauritius, Nigeria, Peru, Romania, Senegal, Sri Lanka, United Republic of Cameroon, Uruguay, Venezuela, Yugoslavia and Zaire: revised draft resolution

The General Assembly,

Having reviewed the implementation of the recommendations and decisions adopted at its tenth special session,

Expressing its satisfaction over the fact that the tenth special session greatly stimulated the involvement of all countries and set in motion a number of new initiatives in the field of disarmament,

Noting with satisfaction that some initial results in the implementation of the recommendations and decisions of the tenth special session have been achieved, primarily in the field of active involvement of the United Nations and in a considerable revitalization of the multilateral disarmament machinery,

Deeply concerned about the continued arms race and the alarming increase in expenditures on armaments,

Considering it necessary to make sustained progress in all negotiations dealing with disarmament and arms limitation issues,

Noting with concern that most negotiations on priority tasks in the field of disarmament have not yielded concrete results so far, in spite of the repeated appeals of the General Assembly,

Bearing in mind that negotiations have not, as yet, started on a number of issues which are contained in the Programme of Action of the tenth special session,

Determined to encourage the taking of urgent measures in order to secure the implementation of the recommendations and decisions endorsed by Member States in the Final Document of the Tenth Special Session of the General Assembly (S-10/2) and aimed at halting and reversing the arms race, particularly the nuclear-arms race, and to proceed to disarmament,

1. Expresses its deep concern over the continued arms race, nuclear as well as conventional, and over constantly growing military budgets which bear negative consequences and pose a growing threat to international peace and security and also for the unhampered development of countries, particularly developing countries;

2. Urgently calls upon all States, in particular nuclear-weapon States and other major military Powers, to undertake immediately steps leading to effective halting and reversing of the arms race and for disarmament and, to this end, to

(a) Make every effort to bring to a successful end the negotiations which are currently going on in the Committee on Disarmament and in a limited or regional framework on effective international agreements according to the priorities of the Programme of Action of the tenth special session;

(b) Resume or undertake as soon as possible negotiations on a bilateral, regional or multilateral basis on measures which have been agreed by consensus at the tenth special session, taking into consideration all relevant proposals;

3. Invites all States which are engaged in bilateral, regional or multilateral disarmament or arms-limitation negotiations outside the United Nations framework to keep the United Nations General Assembly informed on a regular basis of the results of such negotiations in conformity with the relevant provisions of the Final Document of the Tenth Special Session;

4. Decides to include in the provisional agenda of its thirty-fifth session an item entitled "Implementation of the recommendations and decisions of the tenth special session".
