CORRIGENDUM

Paragraph 9

The last two sentences of this paragraph, starting with the words "an emergency programme", should be deleted and replaced by the following text:

"The Fonds Mwabutsa, a Burundi Government institution, has, with technical assistance provided by the League of Red Cross Societies, started an emergency programme with the \$50,000 allocated by the Executive Committee at its second special session and the refugees are thus receiving food and have been issued with blankets and other basic essentials. The food has been provided by the United States Government through the Catholic Relief Services, and the blankets by the Oxford Committee for Famine Relief and the Secours Protestant. In addition, the Catholic Relief Services are setting up a dispensary."
