Note by the Secretariat

1. The Human Rights Council, in its resolution 22/2, requested the Joint Inspection Unit to undertake a comprehensive follow-up review of the management and administration of the Office of the United Nations High Commissioner for Human Rights, in particular with regard to its impact on the recruitment policies and the composition of the staff, and to submit a report thereon and containing concrete proposals for the implementation of resolution 22/2 to the Council at its twenty-seventh session.
2. The Joint Inspection Unit informed the Secretariat that the review mandated by the Human Rights Council in its resolution 22/2 had been included in its programme of work for 2014, and that, given its own procedural requirements, the Unit would submit the report to the Council at the twenty-eighth session.¹
3. The report of the Joint Inspection Unit (JIU/REP/2014/7) is available from the website of the Unit at www.unjiu.org/en/reports-notes/Pages/Reports-and-Notes.aspx.
