

CORRIGENDUM

Ref.: Sales No. E.84.XIII.8
(E/CONF.76/19)
January 1985

New York

FFB 25 1985

REPORT OF THE INTERNATIONAL CONFERENCE ON POPULATION, 1984

Corrigendum

page 10, paragraph 5

The first sentence of the paragraph should read:

5. The Plan affirms that the consideration of population problems cannot be limited to the analysis of population trends, since population variables influence development variables and are influenced by them.
