Third Session

CORRIGENDUM TO THE SUMMARY RECORD OF THE FIFTY-SECOND

MEETING

Held at Lake Success, New York  
on Tuesday, 27 April 1948, at 11.30 a.m.

On page 3, delete from line 23 to the bottom of the page, and  
substitute the following:

"She stressed the fact that part of the problem of housing was  
the labour problem which was not mentioned in any of the documents.  
Although the ILO was concerned with those problems of labour con-  
ditions and safety in the building trades, in dealing with the  
question of housing and town and country planning, the Economic and  
Employment Commission could not entirely neglect the labour problem."  
This to be inserted after the words "as far as devastated areas were  
concerned." in line 22.
