ECONOMIC AND EMPLOYMENT COMMISSION

Fourth session

COMMITTEE ON ORGANIZATION

ORDER OF DISCUSSION BY THE COMMITTEE ON ORGANIZATION

(Proposed by Mr. John J. Deutsch, Chairman.)

1. On the basis of the documents before the Committee, and of the discussion which took place at the second meeting, the Chairman believes that the matters discussed could be grouped under the following four headings:

(a) Future of the Economic and Employment Commission; should its work be carried on by the Economic Committee of the Council and the Secretariat?

(b) Future of the sub-commissions; should their functions be undertaken by ad hoc groups of experts, individual experts and the Secretariat?

(c) Should the terms of reference of the Commission and the sub-commissions be changed or re-interpreted?

(d) Future methods of work of the Commission and the sub-commissions, including timing of meetings and frequency of meetings and the nature of the studies and recommendations, in relation to the work of the Council.

2. The Chairman proposes that the Committee consider specific proposals presented by members of the Committee under these headings.
