Letter dated 10 November 2015 from the President of the Security Council addressed to the Secretary-General

I have the honour to inform you that your letter dated 14 October 2015 ([S/2015/855](#)) concerning the financing of the Residual Special Court for Sierra Leone has been brought to the attention of the members of the Security Council.

I wish to inform you that the members of the Security Council have taken note, with certain reservations, of the intention expressed in your letter on the understanding that the requested subvention will be on a one-time basis covering the proposed period and will be subsequently reimbursed from the voluntary contributions received by the Residual Special Court. The members of the Council request the United Nations Secretariat, the Oversight Committee and Residual Special Court officials to intensify their efforts to lower costs and fund the activities of the Court through voluntary contributions.

(Signed) Matthew Rycroft
President of the Security Council
