4. The right to the enjoyment of the highest attainable standards of physical and mental health	27 - 29
5. The right of the family, motherhood and childhood to protection and assistance	30
6. The right to education	31
7. The right to participate freely in cultural life ...	32 - 33

E/CN.4/1108/Add.2 (vol.I)

Part Two. Less developed countries

Chapter

I. Introduction	1 - 23
Table:	
1.1. Less developed countries and territories: a threefold economic, social and cultural typology	
II. Economic conditions: realities, trends, imbalances	24 - 118
A. Population pressures	31 - 48
B. Income and income growth	49 - 94

/...

E/CN.4/1108/Add.2 (vol.I) (continued)

	<u>Paragraphs</u>
C. Employment and unemployment	95 - 106
D. The Second United Nations Development Decade: strategic bottlenecks	107 - 118

Tables:

- 2.1. Less developed continents: population distribution by income groups
- 2.2. Distribution of per capita income groups by continents, 1971
- 2.3. Less developed countries and territories: actual population, annual growth rates, estimated population for 1971 and estimated growth rate
- 2.4. Projection of world population 1965-1985
- 2.5. Estimated and conjectured average annual birth rates, death rates, and rates of annual increase for currently more developed and less developed regions, 1960-1970, and selected periods from 1750 to 2000
- 2.6. Percentage age distribution in major areas of the world, 1965 and 1985
- 2.7. Estimates and conjectures of past and future population of the world and of the currently more developed and less developed regions, in 1970 and during 1750-2000
- 2.8. Average annual population growth of the world and of currently more developed and less developed regions, 1960-1970, and half centuries from 1750 to 2000
- 2.9. Estimated and projected birth rates, 1950 to 2000 in selected regions and groups of regions
- 2.10. Estimated and projected death rates, 1950 to 2000, in selected regions and groups of regions
- 2.11. Estimated and projected rates of natural increase, 1950 to 2000, in selected regions and groups of regions
- 2.12. Estimates of total urban and rural population in the world, Europe, other more developed regions and less developed regions, 1920, 1960 and 2000

/...

E/CN.4/1108/Add.2 (vol.I) (continued)Paragraphs

Tables:

- 2.13. Agglomerated and big-city population in three major portions of the world, 1920, 1940, 1960 and 1980
- 2.14. Less developed countries and territories: work force as percentage of population (active in 1950)
- 2.15. Less developed countries and territories: work force as percentage of population (active in 1960)
- 2.16. Less developed countries and territories: work force as percentage of population (active in 1970)
- 2.17a. Less developed countries and territories: work force as percentage of population (active in 1980)
- 2.17b. Percentage of male population active, 1950-1980
- 2.17c. Percentage of female population active, 1950-1980
- 2.18. Less developed countries and territories: gross domestic product by country and territory, 1960-1968
- 2.19. Production: rate of increase, by country, 1960-1968
- 2.20. Growth performance of major economic areas, 1954-1966 (per cent compound, average annual rates)
- 2.21. Growth of developing regions (per cent compound, average annual rates)
- 2.22. Developing countries: distribution by annual rate of growth of real product, 1955-1960 and 1960-1965
- 2.23. Less developed countries: disparities in growth rates, 1960-1967
- 2.24. The UNCTAD group of least developed countries
- 2.25. Less developed countries and territories: rate of increase in production, planned and achieved, period ending 1968

/...

E/CN.4/1108/Add.2 (vol.I) (continued)Paragraphs

Tables:

- 2.26. Developing countries: relative performance of agriculture and manufacturing, 1960-1966
- 2.27. Indices of world food production, total and per capita 1956-1966
- 2.28. Selected developing countries: output contributed by the subsistence sector, 1960-1968
- 2.29. Selected developing countries: ratio of export earnings to GDP, 1963-1967
- 2.30. Fifty-four developing countries: growth rates of GDP (1960-1965), exports and imports (1959/60-1964/65)
- 2.31. Selected developing countries: effect of terms of trade on growth of gross domestic product, 1960-1968
- 2.32. Less developed countries and territories: labour participation rates by functional age groups (in percentages of age groups and total population)
- 2.33. Less developed countries and territories: employment by sectors (in percentages of total labour force)
- 2.34. Selected developing countries: recorded volume of unemployment in the 1960s
- 2.35. Selected developing countries: growth in population, labour force, employment and investment, around 1960
- 2.36. Selected less developed countries and territories: average annual change in food production and demand, 1960-1968
- 2.37. Less developed countries and territories: movement in consumer prices by component, 1960-1968

E/CN.4/1108/Add.2 (vol.II)Chapter

III.	Social rights: conditions, trends, imbalances	119 - 219
A.	Typology	121 - 125
B.	Standard of living	126 - 133

E/CN.4/1108/Add.2 (vol.II) (continued)

	<u>Paragraphs</u>
C. Inequalities in income, wealth and opportunity	134 - 159
1. Africa	135 - 138
2. Asia	139 - 147
3. Latin America	148 - 157
4. Observations	158 - 159
D. Food and nutrition	160 - 164
E. Education	165 - 184
1. Literacy	165 - 169
2. School enrolment	170 - 177
3. Quality of education	178 - 184
F. Housing	185 - 191
G. Health	192 - 201
H. Social security	202 - 211
I. Youth	212 - 216
J. Social welfare	217 - 219

Tables:

- 3.1. Less developed countries and territories grouped by percentage rate of illiteracy of population over 15 years of age during the period 1960-1967
- 3.2. Developing countries and territories grouped by life expectancy at birth (1965-1970)
- 3.3. Developing countries and territories grouped by the rate of infant mortality (deaths under one year per 1,000 live births)
- 3.4. Per capita annual consumer expenditure in different sectors of urban population in 1960-1961 and 1967-1968 (at 1960-1961 prices)
- 3.5. Per capita annual consumer expenditure in different sectors of rural and urban populations in 1960-1961 and 1967-1968 (revised estimates)
- 3.6. Percentage of high- and middle-level posts filled by Kenya citizens, 1967

/...

E/CN.4/1108/Add.2 (vol.II) (continued)ParagraphsTables:

- 3.7. Percentage of Africans in the civil services of Kenya and Zambia, selected dates
- 3.8. Monthly earnings of Africans and non-Africans in Southern Rhodesia engaged in non-agricultural sectors, 1961-1965
- 3.9. Monthly earnings of Africans and non-Africans in Zambia engaged in non-agricultural sectors, 1961-1969
- 3.10. Percentage shares of decile groups in personal income in selected countries
- 3.11. India: pattern of disposable personal income distribution among individuals
- 3.12. Thailand: pattern of personal income distribution
- 3.13. Averages of income distribution in Latin America
- 3.14. Distribution of income in Latin America
- 3.15. Composition of the major income groups by country
- 3.16. Percentage distribution of national income
- 3.17. Percentage distribution of the active labour force
- 3.18. Rural and urban incomes and the relative composition of the income structure of selected countries
- 3.19. Regional incomes and the regional composition of the income structure in selected countries
- 3.20. Combined regional and urban-rural composition of the income structure in Brazil and Venezuela
- 3.21. Productivity estimates by sector
- 3.22. The sectoral distribution of the primitive-type labour force in Latin America, and the composition of the labour force in each sector

/...

E/CN.4/1108/Add.2 (vol.II) (continued)

Paragraphs

Tables:

- 3.23. Comparison of the coefficient of concentration with the annual rate of growth of per capita GNP in selected countries
- 3.24. Changes in indices of retail food prices, 1966-1968
- 3.25. Estimated per capita calorie and protein content of national average food supply in selected developing countries
- 3.26. Adult (15+) literacy around 1969 and 1970
- 3.27. Male and female adult (15+) literacy around 1960 and 1970
- 3.28. Daily newspaper publication in the less developed countries
- 3.29. Estimated total pupil enrolment by level of education, 1960/1961 and 1967/1968
- 3.30. School enrolment ratios by level of education 1960/1961 and 1967/1968
- 3.31. Urban households and dwellings, early 1960s
- 3.32. Rural housing in selected countries and territories
- 3.33. Selected data on slums and uncontrolled settlements
- 3.34. Death rate, infant mortality rate and life expectancy in less developed countries, 1960-1968
- 3.35. Number of physicians, dentists, nurses and hospital beds, by WHO region, 1960, 1964 and 1967
- 3.36. Ratio of physicians and nurses per 10,000 population, 1965-1968
- 3.37. Social security in selected African countries
- 3.38. Percentage distribution of government expenditure by functional classification for selected countries in Asia
- 3.39. Percentage distribution of government expenditure by functional classification for selected countries in Africa

E/CN.4/1108/Add.2 (vol.III)

Paragraphs

Chapter

IV. Cultural conditions: traditional and modern patterns of discrimination	220 - 304
A. Some common characteristics	221 - 245
1. The soft state: a pervasive feature	221 - 230
2. The impact of mass communication	231 - 232
3. National identity and national security	233 - 237
4. More arms, less security, more repression	238 - 243
5. The need for international action	244 - 245
B. The syncretic religious world: Africa south of the Sahara	246 - 258
1. Subregions and subcultures	246 - 249
2. Western influences	250 - 252
3. Social change	253 - 256
4. Main sources of discrimination	257 - 258
C. The Islamic world: North Africa and West Asia	259 - 272
1. Subregions and subcultures	259 - 260
2. Western influences	261 - 265
3. Social change	266 - 268
4. Main sources of discrimination	269 - 272
D. The Hindu-Buddhist world: South and East Asia	273 - 288
1. Subregions and subcultures	273 - 279
2. Western influences	280 - 281
3. Social change	282 - 287
4. Main sources of discrimination	288
E. The Latin Catholic world: Central and South America ..	289 - 304
1. Subregions and subcultures	289 - 292
2. Western influences	293 - 298
3. Social change	299
4. Main sources of discrimination	300 - 304

/...

E/CN.4/1108/Add.2 (vol.III) (continued)

Paragraphs

Tables:

- 4.1. Less developed countries and territories: mass communication media
- 4.2. Gross national product (GNP), military expenditure and public expenditure on education and health, 1968 (absolute amounts in United States dollars and as percentages of GNP)
- 4.3. Indians in the populations of Latin America

E/CN.4/1108/Add.2 (vol.IV)

Chapter

- V. The international context: realities, trends, imbalances .. 305 - 356
 - A. Disequilibrium and dependency in international development 305 - 312
 - B. The widening income gap between rich and poor nations in monetary and real terms 313 - 322
 - C. The continuing capital scarcity and the need for international transfers 323 - 331
 - D. The continuing backwash effects of trade 332 - 338
 - E. The continuing drain of highly trained manpower 339 - 349
 - F. The need for concerted international action on poverty . 350 - 356

Tables:

- 5.1. Gross national product per capita at market prices (1970) and average annual growth rate (1960-1970)
- 5.2. Consumption: per capita level, 1967, and rate of increase, 1960-1968
- 5.3. Trade balance and changes in reserves of developing countries, 1960-1967
- 5.4. Trade between developing countries and the rest of the world, 1960-1969
- 5.5. Developing countries: export unit value of trade with the developed market economies, 1960-1969

/...

E/CN.4/1108/Add.2 (vol.IV) (continued)Paragraphs

Tables:

- 5.6. Developed countries: imports from developing countries, 1968
- 5.7. Net transfer of resources to less developed countries from major market economies and multilateral agencies, 1962-1969
- 5.8. Developed market economies: resource transfer performance, 1961-1969
- 5.9. Centrally planned economies: commitments of bilateral economic assistance to the developing countries

E/CN.4/1108/Add.3

Part Three. Socialist countries of Eastern Europe

Chapter

Introduction	1 - 7
I. The right to work	8 - 246
A. The right to free choice of employment	26 - 95
B. The right to just and favourable conditions of work ...	96 - 128

B.	The right of mothers to special care and assistance ..	438 - 453
C.	The right of children and young persons to special care and assistance	454 - 477
VI.	The right to education	478 - 528
A.	The right to free primary education	483 - 495
B.	The right to equal access to higher education on the basis of capacity	496 - 526
C.	1. Secondary education	496 - 506
	2. Post-secondary education	507 - 526
C.	The right of parents to choose the kind of education that shall be given to their children	527 - 528

/...

E/CN.4/1108/Add.4Paragraphs

Part Four. Developed market economies

Chapter

I.	General	1 - 18
	Tables:	
	1.1. Developed market economies: population and vital statistics	
	1.2. Estimated rates and average annual amounts of natural increase, 1960-1965 and 1965-1970, in major areas and regions of the world	
	1.3. Estimates of expectation of life at birth, 1965-1970, in major areas and regions of the world	
	1.4. Developed market economies: <u>per capita</u> income in 1969	
	1.5. Over-all social and economic trends by selected indicators for North America, Australia and New Zealand	
II.	Work	19 - 58
	A. Employment security	20 - 31
	B. Wages	32 - 45
	C. Hours	46 - 47
	D. Health and safety	48 - 50
	E. Intrinsic job qualities	51 - 54
	F. Trade union rights	55 - 58
	Tables:	
	2.1. Unemployment rates (percentage) in selected countries, 1960-1969	
	2.2. Two concepts of unemployment: Sweden, 1966	
	2.3. Two concepts of unemployment: United States, 1969	
	2.4. Unemployment by sex in selected countries, 1969	
	2.5. Unemployment rates by colour in the United States, 1955-1969	

/...

E/CN.4/1108/Add.4 (continued)Paragraphs

Tables:

- 2.6. Average hourly wages in non-agricultural sectors, in local currencies and United States dollars, in selected countries, 1970
- 2.7. Average hourly money wages and real wages (at 1963 prices) in non-agricultural sectors in selected countries
- 2.8. Hourly wage rates in non-agricultural sectors, by sex, in selected countries
- 2.9. Income from full-time and full-year employment in Sweden, by sex
- 2.10. Percentage distribution of families in the United States by income level, by years of school completed and race of head
- 2.11. Percent distribution of all husband-wife families and median earnings of husband in 1969, 1965, and 1959 (in constant 1969 dollars), by selected occupation group and race of head, for the United States
- 2.12. Average working hours per week in manufacturing industries and selected countries
- 2.13. Percentage of manufacturing workers at work 49 hours per week or more in selected countries
- 2.14. Accident rates by country and industry
- 2.15. Frequency of health and safety hazard problems among major occupational subgroups in the United States
- 2.16. Frequency of work-related illness or injury among major occupational subgroups in the United States
- 2.17. Comparison of job satisfaction and mental health by occupational groups
- 2.18. Proportion of workers having "high" mental health by occupational level for groups above and below average in job satisfaction
- 2.19. Proportions of high mental health by occupational level and feeling regarding use of abilities
