Financial implications of the draft resolution contained  
in the report of the Fourth Committee (A/4737)Rapporteur: Mr. T.W. CUTTS (Australia)

1. In accordance with the provisions of rule 154 of the rules of procedure of the General Assembly, the Fifth Committee, at its 845th meeting held on 20 April 1961, considered the financial implications of the draft resolution adopted by the Fourth Committee at its 1152nd meeting and contained in the Fourth Committee's report (A/4737).
2. For this purpose, the Committee had before it a statement of financial implications submitted by the Secretary-General (A/C.5/866). The Chairman of the Advisory Committee on Administrative and Budgetary Questions orally submitted the report of that Committee.
3. The Committee decided, without objection, to inform the General Assembly that the adoption of the draft resolution recommended by the Fourth Committee would give rise to additional expenditures in 1961 of some \$46,000 which would be included in the supplementary estimates for 1961 to be submitted to the General Assembly at its sixteenth session.
