Notes: (1) "Activities of a t.a. nature" cover operational activities which have the broad character of technical assistance.

(2) All 1959 figures represent budget credits, allocations or estimated expenditures, as appropriate.

a/ In addition, the ILO spent \$502,355 in 1951 and \$276,181 in 1952 on a special migration programme financed outside the regular budget.

b/ In addition, there are extra-budgetary expenditures in respect of funds operated by the ILO in trust for requesting Governments - 1957: \$47,025; 1958: \$87,209; 1959 (credit): \$167,800.

c/ The increases since 1955 are due primarily to the initiation of the "Participation in the activities of member States" programme.
