ASIAN TERRITORIES

The Permanent Mission of the United Kingdom of Great Britain and Northern Ireland to the United Nations has transmitted to the Secretary-General additional information relating to Brunei, which was received on 24 March 1962. The following text should therefore be inserted at the end of the section entitled "GOVERNMENT" on page 4 of document A/5079:

"It is reported that extensive localization has already taken place and will continue.

Training facilities

"Local training facilities for the Public Service were not yet available in 1960, but advice was being sought in order to initiate a training scheme. Ninety-two members of the Public Service staff were receiving post-selection training overseas: 3 in the United Kingdom, 2 in Australia, 3 in Canada and 84 in Malaya."
