Eighteenth session

LETTER DATED 15 OCTOBER 1963 FROM THE PERMANENT
REPRESENTATIVE OF TUNISIA TO THE UNITED NATIONS
ADDRESSED TO THE SECRETARY-GENERAL

I am happy to inform you that today, Tuesday, 15 October 1963, at 4 p.m., the Commanding Officer of the Bizerta base, Rear-Admiral Vivier, left Tunisian soil, as the last member of the French Armed Forces, on board a vessel of the French Navy escorted by the Tunisian warships "Destour" and "République".

Thus the evacuation of the French Armed Forces from the territory of the Republic of Tunisia has been completed.

I request you kindly to communicate this news, which marks the happy conclusion of the Bizerta question, to all the States Members of our Organization.
