Fifth session

RELATIONS OF STATES MEMBERS OF
THE UNITED NATIONS WITH SPAIN

Dominican Republic: Draft resolution

The General Assembly

Considering that the establishment of diplomatic relations with a State does not imply any opinion concerning the domestic politics of that State,

Considering that independently of its admission to the United Nations every State should have the opportunity to participate in the work being done for the general welfare of humanity by the specialized agencies of the United Nations,

Resolves

To rescind the General Assembly Resolution of 12 December 1946 in so far as it relates to the recommendations for the immediate recall from Madrid of all Ambassadors and Ministers Plenipotentiary of Members and the debarring of Spain from membership in the specialized agencies of the United Nations.
