ORGANIZATION OF THE FORTY-FIFTH REGULAR SESSION OF THE GENERAL ASSEMBLY, ADOPTION OF THE AGENDA AND ALLOCATION OF ITEMS: MEMORANDUM BY THE SECRETARY-GENERAL (A/BUR/45/1 and Add.1)

Section I. Introduction

1. The Committee decided to draw the General Assembly's attention to the provisions reproduced in annexes V, VI and VII of its rules of procedure.

Section II. Organization of the session

2. The Committee took note of paragraph 4 of the Secretary-General's memorandum (A/BUR/45/1).

Paragraphs 5 to 8 (Rationalization of work)

3. The Committee took note of paragraphs 5 to 8 of the Secretary-General's memorandum and decided to draw the General Assembly's attention to recommendations 2, 3 and 7 of the Group of High-level Intergovernmental Experts to Review the Efficiency of the Administrative and Financial Functioning of the United Nations; it also decided to recommend that the holding of concurrent meetings of the Special Political Committee and the Fourth Committee should be avoided.

Paragraph 9 (Closing date of the session)

4. The Committee decided to recommend to the General Assembly that the Assembly should recess on 18 December 1990 and close on 16 September 1991.

Paragraphs 10 to 12 (Schedule of meetings)

5. The Committee decided to recommend to the General Assembly that, as a cost-saving measure, morning meetings should start at 10 a.m. for all plenary meetings and meetings of the Main Committees. The Committee also decided to recommend that, in order to avoid the late start of meetings and as a cost-saving measure, the General Assembly should waive the quorum requirements for plenary meetings and meetings of the Main Committees, on the understanding that such a waiver would not involve any permanent change in the provisions of rules 67 and 108 of the rules of procedure pertaining to the opening of meetings.

6. The Committee further decided to recommend that delegations should be reminded of the utmost importance of punctuality in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations.

Paragraphs 13 to 15 (General debate)

7. The Committee endorsed the suggestions in paragraphs 13 and 14 of the Secretary-General's memorandum.

8. The CHAIRMAN said that, in view of the large number of delegations already inscribed on the list of speakers for the general debate in the General Assembly, representatives were urged to speak in the order listed. Those unable to speak at the scheduled time would be put at the end of the list for the same day.

9. The Committee decided to draw the General Assembly's attention to paragraph 15 and to recommend that the provision prohibiting the practice of expressing congratulations in the Assembly Hall should apply during the forty-fifth session. In that connection, it also decided to recommend to the General Assembly that speakers in the general debate should be asked to exit the Assembly Hall through Room GA-200 located behind the podium before returning to their seats.

Paragraphs 16 and 17 (Explanations of vote, right of reply and length of statements)

10. The Committee decided to draw the General Assembly's attention to paragraphs 6, 7 and 8 of its decision 34/401 and to rules 72 and 114 of the rules of procedure and paragraph 22 of annex VI thereto, for appropriate action to be taken by the Assembly in plenary meeting and by the Main Committees.

Paragraph 29 (Meetings of subsidiary organs)

17. The CHAIRMAN said that the General Assembly had already taken action on the request by the Chairman of the Committee on Conferences regarding the Ad Hoc Committee of the Whole for the Preparation of the International Development Strategy for the Fourth United Nations Development Decade and the Committee for Programme and Co-ordination.

18. The Committee decided to recommend that the General Assembly should authorize the remaining six subsidiary organs referred to in paragraph 29 of the Secretary-General's memorandum to meet during the forty-fifth session.

Section III. Adoption of the agenda

19. The CHAIRMAN said that, in accordance with rule 40 of the rules of procedure, the Committee would not consider the substance of any item except in so far as it bore on the question of whether or not to recommend the inclusion of that item in the agenda.

20. He also drew attention to the fact that the General Assembly, at its forty fourth session, had decided to delete item 43, entitled "Question of Namibia", and item 17 (i), entitled "Appointment of the United Nations Commissioner for Namibia", from the provisional agenda of the forty-fifth session. He said that the draft agenda consisted of 157 items.

21. The Committee took note of paragraph 31 of the Secretary-General's memorandum.

Inclusion of items

Items 1 to 6

22. The CHAIRMAN said that items 1 to 6 had already been considered; he would therefore take it that there were no comments on their inclusion in the agenda.

Items 7 to 22

23. The Committee decided to recommend that the General Assembly should include items 7 to 22 in the agenda.

Items 23 to 26

24. The Committee decided to recommend that the General Assembly should include items 23 to 26 in the agenda.

Item 27

25. Mr. BLANC (France) expressed regret that the Committee was again considering the inclusion of item 27. Discussion by the Assembly of the question of the island of Mayotte would constitute a violation of Article 2, paragraph 7, of the Charter of the United Nations since the island was under French sovereignty. Moreover, France and the Comoros regularly reviewed the question together within the framework of the close relations between those two countries. Their most recent consultations had taken place in June 1990, when the President of the French Republic had visited the Comoros.

26. The Committee decided to recommend that the General Assembly should include item 27 in the agenda.

Items 28 to 31

27. The Committee decided to recommend that the General Assembly should include items 28 to 31 in the agenda.

Item 32

28. The CHAIRMAN said that, after consultations with the original sponsors of the item, it had been proposed that the title of the item should be amended to read "The situation in Cambodia".

29. The Committee decided to recommend that the General Assembly should include item 32, as amended, in the agenda.

Items 33 to 35

30. The Committee decided to recommend that the General Assembly should include items 33 to 35 in the agenda.

Item 36

31. The CHAIRMAN said that, after consultation with the sponsor of the item, it had been proposed that the Assembly should defer consideration of the item and include it in the provisional agenda of its forty-sixth session.

32. The Committee decided to recommend that consideration of item 36 should be deferred to the forty-sixth session of the General Assembly and that the item should be included in the provisional agenda of that session.

Items 37 to 45

33. The Committee decided to recommend that the General Assembly should include items 37 to 45 in the agenda.

Items 46 to 55

34. The Committee decided to recommend that the General Assembly should include items 46 to 55 in the agenda.

Items 57 to 67

35. The Committee decided to recommend that the General Assembly should include items 57 to 67 in the agenda.

Items 68 to 71

36. The Committee decided to recommend that the General Assembly should include items 68 to 71 in the agenda.

Items 72 to 78

37. The Committee decided to recommend that the General Assembly should include items 72 to 78 in the agenda.

Item 79

38. Mr. PEERJHUM (Mauritius) said that the French and Mauritian authorities had decided to intensify their consultations on the question. In the light of that development, and on the basis of consultations among the French, Malagasy and Mauritian delegations, he wished to propose that the General Assembly should defer consideration of item 79 until the forty-sixth session.

39. The Committee decided to recommend that consideration of item 79 should be deferred to the forty-sixth session of the General Assembly and that the item should be included in the provisional agenda of that session.

Items 80 to 117

40. The Committee decided to recommend that the General Assembly should include items 80 to 117 in the agenda.

Item 118

41. Mr. BLANC (France) said that, in his progress report on the question of East Timor (A/45/507), the Secretary-General indicated that the talks between Indonesia and Portugal on the subject of East Timor were proceeding in a positive manner and that a group of Portuguese parliamentarians had been invited by Indonesia to visit East Timor. In the light of such constructive developments, he proposed that the General Committee should recommend that the General Assembly should defer consideration of the item to its forty-sixth session.

42. Mr. THOMPSON (Fiji) supported the proposal made by the representative of France.

43. The Committee decided to recommend that consideration of item 118 should be deferred to the forty-sixth session of the General Assembly and that the item should be included in the provisional agenda of that session.

Items 119 to 137

44. The Committee decided to recommend that the General Assembly should include items 119 to 137 in the agenda.

Items 138 to 140

45. The Committee decided to recommend that the General Assembly should include items 138 to 140 in the agenda.

Item 141

46. The CHAIRMAN said that the General Assembly had received a letter dated 17 September 1990 from the Permanent Representative of Romania (A/45/511) requesting that consideration of item 141 should be deferred and that the item should be included in the provisional agenda of the forty-sixth session of the General Assembly.

47. The Committee decided to recommend that consideration of item 141 should be deferred to the forty-sixth session of the General Assembly and that the item should be included in the provisional agenda of that session.

Items 142 to 150

48. The Committee decided to recommend that the General Assembly should include items 142 to 150 in the agenda.

49. The CHAIRMAN said that the inclusion of item 151 had been requested by Guatemala (A/45/143 and Corr.1). The representative of Guatemala had asked to participate in the discussion of the item in accordance with rule 43 of the rules of procedure.

50. At the invitation of the Chairman, Mr. Villagrán de León (Guatemala) took a place at the Committee table.

51. Mr. VILLAGRAN DE LEON (Guatemala) said that conciliation as a means of settling international disputes had not been particularly effective. In that regard, conciliation did not differ much from the other means for settling disputes set out in Article 33 of the Charter of the United Nations. Nevertheless, his delegation believed that there were opportunities for improving the conciliation process. The many existing bilateral, multilateral and regional conciliation agreements were far from being satisfactory models for States wishing to adopt ad hoc conciliation agreements. Neither the existing bilateral agreements, which

(Mr. Villagrán de León, Guatemala)

were almost all very old and not easily accessible, nor the provisions concerning conciliation contained in multilateral treaties took account of the useful work carried out in 1961 by the Institute of International Law. Moreover, the provisions on conciliation contained in multilateral agreements were clearly incomplete.

52. For those reasons, the Government of Guatemala believed that the General Assembly should adopt a resolution in which it recommended a set of model norms for conciliation which, in addition to tying up loose ends, would take account of the work of the Institute of International Law. Those ideas had inspired Guatemala in its preparation of the draft resolution contained in document A/45/143 and, in particular, the two appendices to the draft, the first of which contained the model norms, while the second contained an explanatory commentary on the application of the United Nations rules for the conciliation of disputes between States. The rules went beyond the recommendations of the Institute and provided for a procedure which would make use of a sole conciliator. The rules accorded an important role to the Secretary-General of the United Nations, and that was in keeping with current efforts to enhance the role of the Secretary-General in the settlement of disputes.

53. The draft resolution which Guatemala would introduce in the Sixth Committee would be a considerable improvement over its initial draft resolution on conciliation.

54. The Committee decided to recommend that the General Assembly should include item 151 in the agenda.

55. Mr. Villagrán de León (Guatemala) withdrew.

Items 152 and 153

56. The Committee decided to recommend that the General Assembly should include items 152 and 153 in the agenda.

Item 154

57. The CHAIRMAN said that the inclusion of item 154 had been requested by Costa Rica (A/45/192). The representative of Costa Rica had asked to participate in the discussion of the item in accordance with rule 43 of the rules of procedure.

58. At the invitation of the Chairman, Mr. Borbón (Costa Rica) took a place at the Committee table.

59. Mr. BORBÓN (Costa Rica) said that the Government of Costa Rica attached great importance to the work of the University for Peace and believed that it was necessary to draw attention to the tenth anniversary of its establishment by General Assembly resolution 35/55. In its first 10 years of activities, the University for Peace had proven its worth by developing programmes and courses which had had a decisive effect on the formation of attitudes favourable to peace.

(Mr. Borbón, Costa Rica)

His delegation intended to distribute in the near future a draft resolution for consideration and adoption by the General Assembly. He requested that the item should be allocated to the plenary Assembly.

60. The Committee decided to recommend that the General Assembly should include item 154 in the agenda.

Items 155 and 156

61. The Committee decided to recommend that the General Assembly should include items 155 and 156 in the agenda.

Item 157

62. The CHAIRMAN said that the inclusion of item 157 had been requested by Kuwait. The representative of Kuwait had asked to participate in the discussion of the item in accordance with rule 43 of the rules of procedure.

63. At the invitation of the Chairman, Mr. Abulhasan (Kuwait) took a place at the Committee table.

64. Mr. ABULHASAN (Kuwait) said that, at its forty-fifth session, the General Assembly would have to address grave issues posing a threat to international peace and security. The past seven weeks had witnessed a unique occurrence that was unprecedented in the history of the United Nations and one that had shaken the foundations on which international relations were built, namely Iraq's aggression against Kuwait, its complete occupation and annexation of the country and its use of the most infamous methods for the oppression, intimidation, plunder and expulsion of its peaceable people in a planned attempt totally to obliterate the country's identity and existence.

65. The international community had also given expression in an unprecedented manner to its condemnation of that aggression, which constituted a shattering blow to the Charter of the United Nations. After careful study of the matter in all its aspects and taking into account the continued Iraqi aggression and the expansion of its malicious goals, his Government had deemed it appropriate to request the inclusion of an additional item in the agenda of the General Assembly, as set forth in document A/45/233. As a result of intensive consultations following its submission of the request and in the light of the universal consequences of that grave act of aggression and of the fact that it represented a flagrant violation of the letter and spirit of the Charter, his delegation would like to change the wording of the item to read:

"Iraqi aggression and the continued occupation of Kuwait in flagrant violation of the Charter of the United Nations".

66. In submitting its request for the inclusion of the additional item, his delegation had based itself on the provisions of Articles 10 and 11 of the Charter. At the same time, it was fully aware of the provisions of Article 12. For that

/...

(Mr. Abulhasan, Kuwait)

reason, as could be seen from the explanatory memorandum annexed to the request for the inclusion of an additional item, his delegation made no recommendation and submitted no draft resolution on the item at the current stage. It reserved the right to request that the item should be discussed in the Assembly at an appropriate time to be determined in consultation with the Chairman of the General Committee and without prejudice to the requirements of Article 12 of the Charter.

67. His delegation had also requested that the item should be accorded the necessary priority in the belief that, while the Assembly had before it a crowded agenda, the serious character of the aggression, its consequences and the fact that it represented a continuing threat warranted the according of such priority if that should become necessary. That would, of course, take place in consultation with the Chairman of the General Committee.

68. His delegation, in submitting the request, was fully confident that it would receive the full endorsement of the members of the General Committee in line with the support and understanding that Kuwait had received from the Members of the United Nations since the beginning of the aggression and that a clear message would be sent to the Iraqi régime to the effect that it was internationally isolated, that it was violating international peace and security and that it was a danger to the United Nations and to the principles and the Charter of the Organization.

69. Mr. RANA (Nepal) said that the crisis in the Persian Gulf region had come at a time when hopes for a new era of international relations were high. The Security Council had reacted swiftly and firmly to Iraq's flagrant violation of the principles of the Charter of the United Nations and the norms of inter-State relations, and it continued to give high priority to the matter. However, since the situation was of concern to all delegations, Nepal supported Kuwait's request and urged that the General Assembly should consider the item on a priority basis.

70. Mr. MAKKAWI (Lebanon) said that his delegation associated itself with the statements made by the representatives of Kuwait and Nepal. Lebanon fully supported the inclusion of the item, which should be accorded the highest priority in order to enable States which had not yet done so to express their views on the crisis and to help ensure the complete and unconditional withdrawal of Iraq from Kuwait.

71. Mr. MOUSSA (Egypt) said that the invasion of Kuwait had serious global ramifications, and could adversely affect international relations and the international legal system, which provided for respect for the territorial integrity of States, a principle which had been violated by the invasion of Kuwait.

72. The Security Council had lived up to its responsibilities, but all members of the international community should be afforded the opportunity to express their views against violation of the sovereignty of States. The delegation of Egypt therefore supported the request of Kuwait for the inclusion of that item in the agenda.

73. Mrs. DIALLO (Senegal) said that her delegation also wished to join in the expression of solidarity with Kuwait and to support the request that the item should be included in the agenda and be granted the highest priority.

74. The Committee decided that item 157, as revised, should be included in the agenda.

75. Mr. Abulhasan (Kuwait) withdrew.

88. The CHAIRMAN said that the sponsors of item 155 had also proposed that the ceremony should be held on 1 October 1990 in order to allow the Declaration and Plan of Action for the Summit for Children to be appropriately acknowledged by the plenary.

89. The Committee decided that the ceremony for the presentation of the Declaration and Plan of Action adopted by world leaders at the World Summit for Children should be held on 1 October 1990.

90. The CHAIRMAN said that the sponsor of item 157 had proposed that the item should be considered directly in plenary meeting.

91. The Committee decided to recommend to the General Assembly that item 157 should be considered directly in plenary meeting.

92. The CHAIRMAN said that the sponsor of item 157 had also proposed that that item should be considered as a matter of priority.

93. The Committee decided to recommend to the General Assembly that item 157 should be considered in plenary meeting as a matter of priority.

#### Paragraph 35

94. The CHAIRMAN proposed that, in the light of the decision by the General Committee to recommend the inclusion of item 156 (Critical economic situation in Africa) in the agenda, paragraphs 9 to 12 of section A, chapter IV, of the report of the Economic and Social Council should be considered in plenary meeting.

95. The Committee decided to recommend to the General Assembly that paragraphs 9-12 of section A, chapter IV, of the report of the Economic and Social Council should be considered directly in plenary meeting.

96. The Committee decided to recommend that, as at previous sessions, all the chapters of the report of the Special Committee relating to specific Territories should be referred to the Fourth Committee, thus enabling the Assembly to deal in plenary meeting with the question of the implementation of the Declaration as a whole.

105. The Committee decided to recommend that item 120 should be allocated to the Fifth Committee on the understanding that the report on the United Nations intergovernmental structure and functions in the economic and social fields would be dealt with directly in plenary meeting and that such a decision would in no way prejudice the arrangements to be made for the future consideration of the item.

106. The Committee decided to recommend that item 126 should be allocated to the Fifth Committee on the understanding that the reports of the Joint Inspection Unit dealing with subject-matters assigned to other Main Committees would be referred also to those Committees.
