Fortieth session

Agenda item 46

CONSEQUENCES OF THE PROLONGATION

OF THE ARMED CONFLICT BETWEEN

IRAN AND IRAQ

SECURITY COUNCIL

Fortieth year

Letter dated 11 November 1985 from the Permanent Representative  
of the Islamic Republic of Iran to the United Nations addressed  
to the Secretary-General

Upon instructions from my Government, I have the honour to annex herewith a list of 199 teen-age prisoners of war under the care of the Islamic Republic of Iran. This list has been prepared for your information and for the peace of mind of the families of these Iraqi teen-age POWs.

The names are being submitted in the Arabic language so that the United Nations Secretariat will be able to use its standard transliteration format to allow ease of reference and identification.

It would be highly appreciated if this letter and its annex were circulated as a document of the General Assembly, under agenda item 46, and of the Security Council.

(Signed) Said RAJAIE-KHORASSANI
