The Security Council,

Having considered the letter dated 3 January 1980 addressed to the President of the Security Council (S/13724 and Add.1 and 2),

Gravely concerned over recent developments in Afghanistan and their implications for international peace and security,

Reaffirming the right of all peoples to determine their own future free from outside interference, including their right to choose their own form of government,

Mindful of the obligations of Member States to refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any State, or in any other manner inconsistent with the purposes of the United Nations,

1. Reaffirms anew its conviction that the preservation of sovereignty, territorial integrity and political independence of every State is a fundamental principle of the Charter of the United Nations, any violation of which on any pretext whatsoever is contrary to its aims and purposes;
2. Deeply deplores the recent armed intervention in Afghanistan, which is inconsistent with that principle;
3. Affirms that the sovereignty, territorial integrity, political independence and non-aligned status of Afghanistan must be fully respected;
4. Calls for the immediate and unconditional withdrawal of all foreign troops from Afghanistan in order to enable its people to determine their own form of government and choose their economic, political and social systems free from outside intervention, coercion or constraint of any kind whatsoever;
5. Requests the Secretary-General to submit a report on progress towards the implementation of this resolution within two weeks;
6. Decides to remain seized of this question.
