QUEENSLAND

Government Gazette  
31 January 1981

AMENDMENTS TO THE POISONS REGULATIONS OF 1973

Department of Health,  
Brisbane, 29th January, 1981

THE Deputy Governor, for and on behalf of His Excellency the Governor, acting by and with the advice of the Executive Council and in pursuance of the provisions of the Health Act 1937-1980, has approved of the following Regulations made by the Director-General of Health and Medical Services for the State of Queensland.

BRIAN AUSTIN

---

I, Peter Gordon Livingstone, Director-General of Health and Medical Services for the State of Queensland, by and with the approval of the Executive Council and in pursuance of the provisions of the Health Act 1937-1980, do hereby make the following amendments to the Regulations made under the said Act:-

"The Poisons Regulations of 1973" 1/ are amended as follows:-

1. Regulation 3 is amended by deleting the heading to Part D and inserting the following:

"Prohibitions and Authorities in respect of Dangerous Drugs, Restricted Drugs and Prohibited Plants."

2. Part D of the Regulations is amended by deleting the heading thereto and inserting the following:

"PROHIBITIONS AND AUTHORITIES IN RESPECT OF DANGEROUS  
DRUGS, RESTRICTED DRUGS AND PROHIBITED PLANTS"

3. Regulation D2 is amended by inserting the following as Regulation D2.18.:-

"D2.18. The Commissioner of Police or his nominee is hereby authorised subject to the provisions of these Regulations:

- (a) to acquire or obtain the prohibited plants or any species of a genus of such plants set out in the Schedule below; and
- (b) to have in or upon the premises of the Queensland Police Department the prohibited plants or any species of a genus of such plants set out in the said Schedule.

SCHEDULE

- (a) Indian Hemp (*Cannabis Sativa*);
- (b) Mushroom (*Psilocybe Cubensis*);
- (c) Opium Poppy (*Papaver Somniferum*)."

Given under my hand at Brisbane this twenty-seventh day of January, 1981.

P. G. Livingstone,  
Director-General of Health  
and Medical Services

COMMONWEALTH OF AUSTRALIA

Commonwealth of Australia Gazette  
No. G.16, 21 April 1981

CUSTOMS (PROHIBITED IMPORTS) REGULATIONS

NOTICE UNDER REGULATION 5. NOTICE No. 1, 23 March 1981

I, John Colinton Moore, Minister of State for Business and Consumer Affairs, in pursuance of sub-regulation 5(3) of the Customs (Prohibited Imports) Regulations 2/ approve the importation into Australia of a drug specified in, or included in a class of drugs specified in, the Schedule to this notice.

The Schedule

Narcotic drugs

Preparations of:

Acetyldihydrocodeine  
Codeine  
Dihydrocodeine  
Ethylmorphine

Nicocodine  
Nicodicodine  
Norcodeine  
Pholcodine

when compounded with one or more other ingredients (other than tableting media) not being another drug listed in the Fourth Schedule other than those drugs listed above and containing not more than a total of 100 mg of the narcotic drugs per dosage unit (i.e. per tablet, ampoule etc.) and with a concentration of not more than 2.5 per cent in undivided preparations (liquid, or powder not made up into tablets or ampoules).

Cocaine in substances containing not more than the equivalent of 0.1 per cent of cocaine base.

'DF 118' - Dihydrocodeine bitartrate tablets and ampoules.

Difenoxin in substances containing, per dosage unit, not more than 0.5 mg of difenoxin and a quantity of atropine sulphate equivalent to at least 5 per cent of the dose of difenoxin.

Diphenoxylate in substances containing, per dosage unit, not more than 2.5 mg of diphenoxylate calculated as base and a quantity of atropine sulphate equivalent to at least 1 per cent of the dose of diphenoxylate.

'Dover's Powder' - Pulvis ipecacuanhae et opii compositus.

Morphine in substances containing not more than the equivalent of 0.2 per cent of anhydrous morphine.

Opium tinctures and extracts containing not more than 0.2 per cent of anhydrous morphine.

Propiram - preparations containing not more than 100 mg of propiram per dosage unit and compounded with at least the same amount of methylcellulose.

Note: The above exemptions apply to preparations compounded in such a way that the narcotic drug cannot be recovered by readily applicable means or in a yield which would constitute a risk to public health.

---

2/ Note by the Secretariat: E/NL.1957/72, amended by the following texts published in the E/NL series: E/NL.1959/56, E/NL.1965/33, E/NL.1966/25, E/NL.1968/40, E/NL.1969/52, E/NL.1970/35, 36, E/NL.1971/8, E/NL.1975/65, 66, E/NL.1977/67.

Psychotropic substances

Buffers, preparations used as, containing a barbituric acid derivative mixed with one or more other substances.

Buthalital, (5-allyl-5-(2-methylpropyl)-2-thiobarbituric acid).

Drugs, other than narcotic drugs, covered by the Fourth Schedule to the Customs (Prohibited Imports) Regulations which are contained in a radio-active substance for which a permit has been obtained in accordance with the requirements of Item 23 of the Third Schedule to the Customs (Prohibited Imports) Regulations.

Hexobarbital, (5-cyclohexen-1-yl-1, 5-dimethylbarbituric acid).

Methallatal, (5-ethyl-5-(2-methylallyl)-2-thiobarbituric acid).

Methohexital, (a-DL-5-allyl-1-methyl-5-(1-methyl-2-pentenyl) barbituric acid).

Phetharbital, (5,5-diethyl-1-phenylbarbituric acid).

Preparations, not containing another drug listed in the Fourth Schedule of the Customs (Prohibited Imports) Regulations other than those for which importation has been approved by notice published in the Gazette, of:

Ergocornine	Ergonovine
Ergocristine	Ergotamine
Ergocryptine	Ergotoxine

Thialbarbital, (5-allyl-5-(2-cyclohexen-1-yl)-2-thiobarbituric acid).

Thiamylal, (5-allyl-5-(1-methylbutyl)-2-thiobarbituric acid sodium derivative).

Thiohexethal, (5-ethyl-5-hexyl)-2-thiobarbituric acid).

Thiopental, (5-ethyl-5-(1-methylbutyl)-2-thiobarbituric acid).

Thiotetrabarbital, (5-ethyl-5-(1-ethylbutyl)-2-thiobarbituric acid).

Diagnostic products consisting of human or animal serum or urine supplemented with one or more of the substances in Schedule II, III or IV of the Convention on Psychotropic Substances 1971 in a freeze-dried, simulated, preserved or reconstituted form so that, after reconstitution, the product contains not more than 3 mg/100 ml of the controlled substance. Provided that the product is for in vitro use only and is labelled prior to distribution, 'Caution - may be infectious'.

Drug Analytical Standards consisting of substances in Schedules II, III or IV of the Convention on Psychotropic Substances 1971 dissolved in methanol in single use vials with a concentration not exceeding 1 mg/ml and a maximum vial content of 1 ml.

Drug mixtures of two or more substances in Schedules II, III or IV of the Convention on Psychotropic Substances 1971 in a solvent and a strength not exceeding 0.2 mg/ml for individual substances and a total substance content of 1.0 mg/ml and a maximum vial content of 1 ml.

Dated this twenty-third day of March 1981.

John Moore  
Minister of State for Business and Consumer Affairs

E/NL.1982/23

VICTORIA

Victoria Government Gazette  
No. 38, 6 May 1981

AMENDMENTS TO THE POISON ACT, 1962

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas by section 4 of the Poisons Act 1962 <sup>3/</sup> it is amongst other things enacted that the Governor in Council may, by Proclamation published in the Government Gazette, amend any of Schedules One, Two, Three, Four, Five, Six, Seven or Eight to such Act by adding to any such Schedule or removing therefrom any item:

Now therefore, I, the Governor of the State Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State do by this my Proclamation:

1. Amend Schedule Two to the said Act by removing therefrom the following items:

Dihydrocodeine in substances containing 1 per centum or less of Dihydrocodeine.

[...]

3. Amend Schedule Three to the said Act by removing therefrom the following items:

Barbituric Acid and derivatives thereof in substances containing 0.2 per centum or less of Barbituric Acid or its derivatives.

[...]

4. Amend Schedule Three to the said Act by adding thereto the following items:

[...]

Dihydrocodeine in substances containing 1 per centum or less of Dihydrocodeine.

[...]

5. Amend Schedule Four to the said Act by removing therefrom the following items:

Barbituric Acid and substances containing more than 0.2 per centum of Barbituric Acid.

[...]

Pentazocine.

Phenmetrazine.

Propiram in substances containing not more than 100 milligrams of Propiram per dosage unit and compounded with at least the same amount of methyl cellulose.

[...]

10. Amend Schedule Seven to the said Act by adding thereto the following items:

Acetorphine.

[...]

Diethyltryptamine.

Etorphine.

[...]

11. Amend Schedule Eight to the said Act by removing therefrom the following items:

Acetorphine.

Acetyldihydrocodeine and preparations containing more than 2.5 per centum of acetyldihydrocodeine.

Dihydrocodeine and preparations containing more than 2.5 per centum of dihydrocodeine.

Ethylmorphine and substances containing more than 2.5 per centum of ethylmorphine.

Etorphine.

Heptane derivatives having addiction properties, not specifically included in this Schedule.

Levomethorphan.

Levorphanol (Levorphan).

Morphinan and derivatives of morphinan such as 3-hydroxy-N-phenethylmorphinan, morphinan, racemorphan.

Morphine-N-Oxide and its derivatives.

Morphinone and derivatives of morphinone such as methyl dihydromorphinone, hydromorphone.

Nicocodine and preparations containing more than 2.5 per centum of nicocodine.

Nicodicodine (6-nicotinyl-dihydrocodeine or 6 (pyridine-3-carboxylic acid) codeine ester) and in preparations containing more than 2.5 per centum of nicodicodine except when included in Schedule Two or Schedule Four.

Opium in any form except the alkaloid Papaverine.

Pholcodine and preparations containing more than 2.5 per centum of Pholcodine.

Piperidine derivatives with hypnotic properties such as allylprodine, alphaprodine, benzethidine, betaprodine, hydroxypethidine, ketobemidone, alphameprodine, betameprodine, etoxeridine, furethidine, morpheridine, phenampromide, phenoperidine, piminodine, trimeperidine; and their salt preparations, admixtures, extracts or other substances containing any proportion of such piperidine derivatives.

Propiram except when included in Schedule Four.

Pyrrrolidine derivatives with hypnotic properties such as racemoramide, levomoramide, dextromoramide.

Any active principle, any natural or synthetic derivative, any salt and any compound of the substances specified in this Schedule and any preparation or admixture of such substances, active principles, derivatives, salts or compounds unless otherwise provided for in this or any other Schedule.

12. Amend Schedule Eight to the said Act by adding thereto the following items:

A substance specified in this Schedule includes:

(a) any salt, active principle, derivative, compound, alkaloid, stereoisomer, ester and ether of the substance and any salt of such active principle, derivative, compound, alkaloid, stereoisomer, ester and ether; and

(b) any preparation or admixture containing any proportion of the substance, salt, active principle, derivative, compound, alkaloid, stereoisomer, ester or ether,

unless specifically exempted or specifically included in any other Schedule.

Acetyldihydrocodeine except when included in Schedule Two or Schedule Four.

Allylprodine.

Benzethidine.

Betameprodine.

Codeine-N-Oxide.

Dextromoramide.

Dihydrocodeine except when included in Schedule Three or Schedule Four.

Ethylmorphine except when included in Schedule Two or Schedule Four.

Etoxaeridine.

Furethidine.

Heptane derivatives having addiction-inducing properties, not specifically included in this Schedule.

Levomethorphan except its stereoisomers.

Levomoramide.

Levorphanol (Levorphan) except its stereoisomers.

Morphinan.

Morpheridine.

Morphine-N-Oxide.

Morphinone.

Nicocodine except when included in Schedule Two or Schedule Four.

Nicodicodine except when included in Schedule Two or Schedule Four.

Norcodeine except when included in Schedule Two or Schedule Four.

Opium in any form except the alkaloids noscapine and papaverine.  
Pentazocine.  
Phenampromide.  
Phenmetrazine.  
Phenoperidine.  
Pholcodine except when included in Schedule Two or Schedule Four.  
Piminodine.  
Piperidine derivatives having addiction-inducing properties, not specifically included elsewhere in this Schedule.  
Propiram.  
Pyrrolidine derivatives having addiction-inducing properties, not specifically included elsewhere in this Schedule.  
Racemoramide.  
Trimeperidine.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this seventh day of April, in the year of our Lord One thousand nine hundred and eighty-one, and in the twenty-ninth year of the reign of Her Majesty Elizabeth the Second, Queen of Australia.

(L.S.)

Henry Winneke

By His Excellency's Command

W. Borthwick  
Minister of Health

God Save the Queen!

E/NL.1982/24

TASMANIA

STATUTORY RULES 1981, No. 210

POISONS LIST AMENDMENT ORDER 1981

Order under the Poisons Act 1971

IN pursuance and exercise of the powers conferred on me by section 15 of the Poisons Act 1971, I, BRIAN KIRKWALL MILLER, being and as the Minister for the time being administering that Act, and on the recommendation of the Poisons Advisory Committee, hereby make the following order under the Poisons Act 1971. 4/

Dated this 19th day of August 1981

B. K. MILLER, Minister for Health Services

1. This order may be cited as the Poisons List Amendment Order 1981. Short title.
2. In this order, the Poisons List Order 1975 \* 5/ is referred to as the Principal Order. Principal Order.

\* S.R. 1975, No. 217. Subsequently amended by S.R. 1976, No. 223, S.R. 1977, No. 154, S.R. 1978, Nos. 116 and 158, S.R. 1979, No. 203, and S.R. 1980, No. 37. (Seventh amendment.)

4/ Note by the Secretariat: E/NL.1976/137

5/ Note by the Secretariat: E/NL.1976/139

Declaration of the amendments to Poisons List.

3. I declare that on and after 1st September 1981 the amendments set out in this order shall take effect and thereafter shall have effect as amendments to the Principal Order and the Poisons List for the purposes of the Poisons Act 1971.

Substitution of clause 3 of Principal order

4. Clause 3 of the Principal Order is rescinded and the following clause is substituted:

Substances specified in the Poisons List.

3 - A reference to a substance specified in the Poisons List includes, unless specifically exempted:

- (a) every salt, active principle or derivative of the substance, and every salt of that active principle or derivative;
- (b) except where the substance is opium, every alkaloid of the substance and every salt of that alkaloid;
- (c) except where the substance is levomethorphan or levorphanol, every stereoisomer of the substance and every salt of that stereoisomer;
- (d) a preparation or admixture containing any proportion of the substance; and
- (e) every ester and salt of a substance specified in Schedule 8, and every salt of that ester or ether.

Amendment of Schedule 2 of the Schedule to Principal Order

5. Schedule 2 of the Schedule to the Principal Order is amended as follows:-

[...]

- (d) by omitting the item relating to "Codeine" and substituting the following item:

Codeine when compounded:

- (a) in tablets or capsules with aspirin, paracetamol, salicylamide, or any derivative of those substances, and containing not more than 10 mg of codeine per tablet or capsule when:
  - (i) packed in blister or strip packaging or in containers with a child resistant closure; and
  - (ii) in a primary pack containing not more than 25 such tablets or capsules;
- (b) with one or more other medicaments in divided preparations containing not more than 10 mg codeine per dosage unit; or
- (c) with one or more other medicaments in undivided preparations with a concentration of not more than 0.5 per cent of codeine.

- (e) by omitting the item relating to "Dextropropoxyphene";

Amendment of Schedule 4 of the Schedule to Principal Order.

7. Schedule 4 of the Schedule to the Principal Order is amended as follows:-

[...]

- (q) by omitting the item relating to "Codeine" and substituting the following item:-

Codeine when compounded with one or more other medicaments:-

- (a) in divided preparations containing not more than 30 mg of codeine per dosage unit; or

- (b) in undivided preparations with a concentration of not more than 1 per cent of codeine, except when included in Schedule 2 or 3.
- (r) by omitting the item relating to "Dextropropoxyphene";
- [...]
- (zm) by inserting after the item relating to "Potassium Perchlorate" the item "Prazepam";
- (zv) by inserting after the item "Tamoxifen" the item "Temazepam";
- (zza) by inserting after the item "Triaziquone" the item "Triazolam";

11. Schedule 8 of the Schedule to the Principal Order is amended as follows:-

- (a) by omitting the preamble;
- (b) by omitting the items relating to "Acetorphine" and "Etorphine";
- (c) by inserting after the item "Dextromoramide" the item "Dextropropoxyphene, alpha-(+)-4-dimethylamino-1,2-diphenyl-3-methyl-2-butanol propionate";
- (d) by inserting after the item "Lysergide" the item "Mecloqualone, 3-(0-chlorophenyl)-2-methyl-4-(3H)quinazolinone";
- (e) by inserting after the item "Racemorphan" the item "Sufentanil, N-(4-methoxymethyl)-1-(2-(2-thienyl)-ethyl-4-piperidyl) propionanilide";
- (f) by inserting after the item "Thebaine" the item "Tilidine, ethyl trans-2-dimethylamine-1-phenyl-3-cyclohexene-1-carboxylate".

Amendment of  
Schedule 8 of  
the Schedule  
to Principal  
Order.

I certify that the foregoing order is in accordance with the law.

B. K. MILLER, Attorney-General

Printed and numbered in accordance with the Rules Publication Act 1953.

Notified in the Gazette on 26th August 1981.

This order is administered in the Department of Health Services.

#### Explanatory Note

(This note is not part of the order)

This order extensively alters the lists of substances set out in Schedules 2 to 8 of the Poisons List Order (S.R. 1975, No. 217).

Schedule 2 of the Poisons List specifies substances that are dangerous to life if misused or carelessly handled but that should, nevertheless, be available to the public without undue restriction.

Schedule 3 specifies substances that are designed for therapeutic use and which may require special advice as to their use.

Schedule 4 specifies substances the supply of which is permitted only by a medical practitioner, dentist, or veterinary surgeon, or by a pharmacist on the prescription of a medical practitioner, dentist, or veterinary surgeon.

Schedule 5 specifies substances that are commonly used for domestic purposes and which are of a dangerous nature but should be readily available to the public.

Schedule 6 specifies substances that are readily available to the public for industrial, agricultural, veterinary, and other purposes.

Schedule 7 specifies substances that are of an exceptionally dangerous nature and require special care in their manufacture and handling.

Schedule 8 specifies substances that are capable, or are potentially capable, of producing drug dependency in persons using them.

WESTERN AUSTRALIA

POISONS ACT 1964 6/

PROCLAMATION 25 NOVEMBER 1981

Pursuant to section 22 of the Poisons Act 1964-1978 I, the Governor, acting with the advice and consent of the Executive Council and on the recommendation of the Poisons Advisory Committee constituted under Part II of that Act, do hereby:

- (a) cancel the proclamation made under that section and published in the Government Gazette on 21 December 1979 and every other proclamation previously so made; and
- (b) prohibit the sale, supply or use:
  - (i) of the substances referred to in Part A of the Schedule to this proclamation, except with the consent in writing of the Commissioner of Public Health;
  - (ii) for human therapeutic use, of the substances referred to in Part B of the Schedule to this proclamation, except with the consent in writing of the Commissioner of Public Health; and
  - (iii) of the substances referred to in Part C of the Schedule to this proclamation, except with the consent in writing of the Commissioner of Public Health, which consent shall not be given other than to the sale, supply or use of such a substance, for the purpose of the conduct of medical or scientific research (including clinical trials), in such quantity as may, in a particular case, be necessary for that purpose.

SCHEDULE

Part A

Lysergic Acid diethylamide and its derivatives, and preparations containing any of those substances.

Part B

Buclosamide.  
Oxyphenisatin and its acetyl derivatives for human therapeutic use.  
1,1,1-trichloroethane in aerosols for therapeutic use.

Part C

Acetorphine  
Allyl Isopropyl Acetyl Urea  
Amidopyrine and derivatives therefrom for human therapeutic use  
2-amino-1 (2,5-dimethoxy-4-methyl) phenylpropane (STP, DOM)  
Bithionol for human therapeutic use  
Bufotenine  
Buniodyl Sodium  
Calamus for human therapeutic use  
Cannabis and cannabis resin and extracts and tinctures of cannabis  
Desomorphine  
Diacetyl morphine  
2,5-dimethoxy-4-bromoamphetamine (DOB)  
2,5-dimethoxy-4-methylamphetamine (MDA)  
3-(1,2-dimethylheptyl)-1-hydroxy-7,8,9,10-tetrahydro-6,6,9-trimethyl-6H-dibenzo (B,D)  
pyran (DMPH)  
Etorphine  
Hallucinogenic substances structurally derived from methoxyphenethylamine  
3-hexyl-1-hydroxy-7,8,9,10-tetrahydro-6,6,9-trimethyl-6H-dibenzo (B,D) pyran (parahexyl)  
Ketobemidone  
Mescaline  
Methyl cinchophen  
N-ethyl-1-phencyclohexylamine (PCE)  
Nitrofen  
N,N-diethyltryptamine  
N,N-dimethyltryptamine  
1-(1-phenylcyclohexyl) pyrrolidine (PHP or PCPY)  
Psilocine  
Psilocybine  
Tetrahydrocannabinol and 3- and 4'-alkylhomologues, including DMPH and parahexyl, within one  
of these structural designations  
Thalidomide  
1-(1-(2-thienyl) cyclohexyl) piperidine (TCP)  
Triparanol  
and their derivatives, and preparations containing any of those substances or their  
derivatives.

Given under my hand and the Public Seal of the said State, at Perth, this 25th day of  
November, Nineteen hundred and eighty-one.

By His Excellency's Command,

Ray Young  
Minister for Health
