### 34/128. Assistance to Zambia

*The General Assembly,*

*Recalling* previous United Nations resolutions concerning the question of assistance to Zambia, in particular Security Council resolution 329 (1973) of 10 March 1973 and Economic and Social Council resolutions 2012 (LXI) of 3 August 1976 and 2093 (LXIII) of 26 July 1977, in which was commended the decision of the Government of Zambia in 1968 to implement progressively United Nations mandatory sanctions against Southern Rhodesia in accordance with Security Council resolution 253 (1968) of 29 May 1968,

*Recalling also* Economic and Social Council resolution 1978/46 of 2 August 1978, in which the Council endorsed the assessment and recommendations contained in the annex to the report of the Secretary-General of 5 July 1978,<sup>97</sup>

*Recalling further* General Assembly resolution 33/131 of 19 December 1978, in which the Assembly strongly endorsed the appeals made by the Security Council and the Secretary-General for international assistance to Zambia,

*Recognizing* that the Government of Zambia has incurred both direct costs and the costs of contingency measures as a result of its decision to apply sanctions against the illegal régime in Southern Rhodesia as well as losses due to the diversion of limited financial and human resources from the country's normal development,

*Having examined* the report of the Secretary-General of 30 August 1979,<sup>98</sup> to which was annexed the report of the review mission which he sent to Zambia,

*Noting* that the present critical economic situation in Zambia has been brought about by the effects of applying sanctions and of continuous attacks and incursions by Southern Rhodesian forces,

*Noting also* that the disruption and reorientation of transport and trade have also placed severe strains on and created complications for Zambia's development programmes,

*Noting further* that the influx of Zimbabwean refugees has imposed an additional burden on the Zam-

bian economy, and recognizing the need for additional humanitarian assistance for those refugees,

*Regretting* that the international community has not thus far provided assistance to Zambia on a scale commensurate with the costs of freeing Zambia from its dependence on the south, as called for in Security Council resolutions 253 (1968) of 29 May 1968, 277 (1970) of 18 March 1970 and 329 (1973) of 10 March 1973,

*Taking note* of the Zambian Government's broad guidelines for its future development strategy, which includes programmes for agriculture, manufacturing and mining and the long-term development projects and programmes identified by the Government as requiring international assistance,

*Taking note* of Zambia's need for resources to overcome its present economic problems and to implement successfully a stabilization programme directed towards the country's long-term development objectives,

*Recognizing* that at least \$800 million in additional assistance is required by the end of 1980 in order to finance necessary imports, reduce substantially outstanding arrears, build up foreign exchange reserves to a workable level and begin the long-term restructuring of the economy,

*Recognizing further* that international assistance is urgently required to allow Zambia to develop an adequate transport capacity on its external routes for imports and exports,

1. *Endorses* the assessment and recommendations contained in the annex to the report of the Secretary-General of 30 August 1979;

2. *Expresses its appreciation* for the assistance provided thus far to Zambia by various States and regional and international organizations;

3. *Expresses its deep concern* that the assistance provided to date falls far short of Zambia's needs;

4. *Draws the attention* of the international community to the additional financial, economic and material assistance urgently required by Zambia, as identified in the annex to the report of the Secretary-General,<sup>98</sup> and to the particular need for immediate assistance in the transport sector;

5. *Calls upon* Member States, regional and inter-regional organizations and other intergovernmental and non-governmental organizations to provide financial, material and technical assistance to Zambia, wherever possible in the form of grants, and urges them to give special consideration to the early inclusion of Zambia in their programmes of development assistance, if it is not already included;

6. *Further calls upon* Member States and organizations which are already implementing or are negotiating assistance programmes for Zambia to strengthen them, wherever possible;

7. *Draws the attention* of the international community to the account which was established by the Secretary-General under the United Nations Trust Fund for Special Economic Assistance Programmes to receive contributions for assistance to Zambia and urges Member States and international financial institutions to contribute generously to that account;

8. *Requests* the appropriate organizations and programmes of the United Nations system—in particular the United Nations Development Programme, the World Bank, the Food and Agriculture Organization of the United Nations, the International Fund for Agricultural Development, the World Food Programme, the World Health Organization and the United Nations

Children's Fund—to maintain and increase their current and future programmes of assistance to Zambia in order to enable it to carry out its planned development projects without interruption and to co-operate closely with the Secretary-General in organizing an effective international programme of assistance;

9. *Further requests* the appropriate specialized agencies and other organizations of the United Nations system to report periodically to the Secretary-General on the steps they have taken and the resources they have made available to assist Zambia;

10. *Invites* the United Nations Development Programme, the United Nations Children's Fund, the World Food Programme, the World Health Organization, the United Nations Industrial Development Organization, the Food and Agriculture Organization of the United Nations, the World Bank and the International Fund for Agricultural Development to bring to the attention of their governing bodies, for their consideration, the special needs of Zambia and to report the decisions of those bodies to the Secretary-General by 15 August 1980;

11. *Requests* the United Nations High Commissioner for Refugees to continue his humanitarian assistance programmes on behalf of refugees in Zambia, and urges Member States and the international community to provide him speedily with the necessary means to carry out those programmes;

12. *Requests* the Security Council to examine the situation in Zambia, in the context of Chapter VII, Articles 49 and 50, of the Charter of the United Nations, with a view to proposing additional measures of assistance to Zambia in view of its critical economic and financial position;

13. *Requests* the Secretary-General:

(a) To continue his efforts to mobilize the necessary resources for an effective programme of financial, technical and material assistance to Zambia;

(b) To ensure that adequate financial and budgetary arrangements are made for continuing the organization of the international programme of assistance to Zambia and the mobilization of assistance;

(c) To keep the situation in Zambia under constant review, to maintain close contact with Member States, regional and other intergovernmental organizations, the specialized agencies and international financial institutions concerned and to apprise the Economic and Social Council, at its second regular session of 1980, of the current status of the special economic assistance programme for Zambia;

(d) To arrange for a review of the economic situation of Zambia and the progress made in organizing and implementing the special economic assistance programme for that country in time for the matter to be considered by the General Assembly at its thirty-fifth session.

### 34/129. Assistance to Mozambique

*The General Assembly,*

*Recalling* the decision of the Government of Mozambique to implement mandatory sanctions against the illegal régime in Southern Rhodesia in accordance with Security Council resolution 253 (1968) of 29 May 1968,

*Recognizing* the substantial economic sacrifices made by Mozambique in the implementation of its decision to

enforce sanctions and to close its borders with Southern Rhodesia,

*Concerned* at the continued acts of aggression committed by the illegal and racist régime in Southern Rhodesia against Mozambique,

*Noting with deep concern* the loss of life and destruction of essential infrastructure such as roads, railways, bridges, petroleum facilities, electricity supply, schools and hospitals identified in the annex to the report of the Secretary-General of 16 August 1979,<sup>99</sup> and the extensive damage and destruction suffered subsequent to the preparation of that report, referred to in a *statement* made by the representative of the Government of Mozambique,<sup>100</sup>

*Taking into account* the fact that the Committee for Development Planning has recommended that the present list of the least developed countries should stand until the end of the Second United Nations Development Decade and that the international development strategy for the third United Nations development decade has not yet been agreed upon,

*Recalling* Security Council resolution 386 (1976) of 17 March 1976, in which the Council appealed to all States to provide, and requested the Secretary-General, in collaboration with the appropriate organizations of the United Nations system, to organize with immediate effect, financial, technical and material assistance to enable Mozambique to carry out its economic development programme normally and to enhance its capacity to implement fully the United Nations mandatory sanctions,

*Recalling further* its resolutions 31/43 of 1 December 1976, 32/95 of 13 December 1977 and 33/126 of 19 December 1978, in which it urged the international community to respond effectively and generously with assistance to Mozambique,

*Having examined* the report of the Secretary-General of 16 August 1979, to which was annexed the report of the review mission which he sent to Mozambique,

*Noting with concern* that the economic and financial position of Mozambique remains grave and beset by budget and balance-of-payments deficits and that, in the absence of increased international assistance, the Government will have to reduce major imports that are essential for its development programmes and for restoring industrial production to pre-sanctions levels,

*Recognizing* that the drought in 1979 has seriously affected the Government's agricultural programmes and that, despite the international response to this natural disaster, external assistance is still required in the form of food-stuffs,

*Taking into account* the fact that Mozambique continues to provide asylum for a growing number of refugees who continue to be vulnerable to attack and harassment by the forces of the illegal régime in Southern Rhodesia, and noting the need for additional international assistance for those refugees,

1. *Strongly endorses* the appeals made by the Security Council and the Secretary-General for international assistance to Mozambique;

2. *Endorses fully* the assessment and major recommendations contained in the annex to the report of the Secretary-General;<sup>101</sup>

3. *Expresses its appreciation* to the Secretary-General for the measures he has taken to organize an
