2. The Conference was inaugurated by the President of the Arab Republic of Egypt, His Excellency Mohammed Hosni Mubarak, who in his inaugural address welcomed the participating delegations.

In his address, His Excellency President Mohammed Hosni Mubarak welcomed the holding of the Nineteenth Islamic Conference of Foreign Ministers in Cairo, the city of Al-Azhar Al-Shareef and the pearl of the Islamic culture. His Excellency President Mohammed Hosni Mubarak declared that the Egyptian people were proud of their belonging to the Islamic family known for its noble values and lofty principles.

His Excellency President Mohammad Hosni Mubarak referred to the profound changes and radical transformations taking place all over the world and which have unavoidable consequences on our future perspective and for the determination of our role as a whole in order to

realize our common objectives at the time when dangers and challenges are increasing and opportunities and possibilities multiplying. In this context, His Excellency President Mohammed Hosni Mubarak stated that the method to serve best our interests in this critical phase of human history consists for us in participating individually and collectively to the channelling of these fundamental changes of the international order in the political, economic and intellectual fields so that we are active participants and not mere spectators.

His Excellency President Mohammed Hosni Mubarak affirmed that Islamic solidarity should be the corner-stone of any action undertaken by OIC Member States and of any responsibility they assume because the challenges that we have to face are now stronger than our individual capacities. No matter how great is our individual potential, it is yet difficult to face these challenges with separate efforts or non-coordinated attempts. Therefore, we must in the context of this concept of solidarity among Member States, define the objectives of the Ummah and determine the dangers impeding its progress to enable it to have a common vision of its objectives and priority and enhance this vision by a collective and coherent action.

His Excellency President Mohammed Hosni Mubarak underlined that the principle of Islamic solidarity was the basis of primordial and fundamental

commitment which consists of settling disputes between Member States of OIC by peaceful means in conformity with the common interest and objectives. His Excellency President Mohammed Hosni Mubarak expressed his conviction that the Organisation of the Islamic Conference is able to play a more important role in the settlement of disputes occurring between Member States by peaceful and amicable means without resorting to any enmity and violence. His Excellency President Mohammed Hosni Mubarak also called for the adoption of the same method towards problems opposing one Islamic state against the other.

His Excellency President Mohammed Hosni Mubarak requested that this Conference be devoted to a well considered definition of factors of reciprocity between the Islamic peoples and to interaction of their interests in all fields and that this action be at parallel with a sagacious movement to revitalise Islamic culture to face the assaults and calumnies directed against Islam from outside and the unjust and mystifying tendencies from within which aim to distort the image of Islam as revealed to our noble Prophet (Peace Be Upon Him). In conclusion, His Excellency President Mohammed Hosni Mubarak affirmed that "we Muslims are in favour of reconciliation and peace and reject aggression irrespective of its origin or justification and we respect the right of all peoples to live in security and peace."

3. On the proposal of His Royal Highness Prince Saud Al-Faisal, Minister of Foreign Affairs of the Kingdom of Saudi Arabia and the Chairman of the Eighteenth Islamic Conference of Foreign Ministers, the Conference decided to adopt the inaugural address of His Excellency President Mohammed Hosni Mubarak as an official document of the Conference.

4. Their Excellencies the Foreign Ministers of the Republic of Guinea, Hashmite Kingdom of Jordan and People's Republic of Bangladesh, on behalf of the African, Arab and Asian Member States respectively expressed their profound gratitude and sincere thanks to His Excellency President Muhammad Hosni Mubarak for patronising the Conference by his presence and the highly inspiring guidelines contained in his inaugural address. Their Excellencies the Foreign Ministers also thanked the Government of Arab Republic of Egypt for the excellent arrangements it had made for the Conference and for the generous hospitality extended by it to all delegations.

5. His Royal Highness Prince Saud Al-Faisal, Minister of Foreign Affairs of the Kingdom of Saudi Arabia and Chairman of the Eighteenth Islamic Conference of Foreign Ministers made a statement in which he conveyed the greetings of the Custodian of the Two Holy Mosques King Fahd Bin Abdul Aziz Al-Saud and of the Government and people of the Kingdom of Saudi Arabia to the Conference. His Royal Highness Prince Saud Al-Faisal also expressed appreciation for the important inaugural address by His Excellency President

Mohammed Hosni Mubarak and thanked the Government and the people of the Arab Republic of Egypt for the cordial welcome and hospitality extended to all participants.

In his comprehensive statement, His Royal Highness Prince Saud Al-Faisal reviewed the new and major developments which had occurred since the Riyadh Conference and had affected both the Islamic and International arenas. His Royal Highness emphasized that this Conference is being held in the wake of a new era characterized by major international changes which required an indepth study and careful evaluation.

In this context, he referred to the question of Palestine, which had witnessed important developments. The Palestinian people had succeeded in placing their cause among the important priorities addressed by the international community by their valiant Intifadha and peace initiatives on the basis of historic resolutions adopted by the Palestine National Council in 1988 and despite the intensification of the Israeli repression against them in the occupied territories.

His Royal Highness Prince Saud Al-Faisal emphasized that the transfer of Jews from the Soviet Union and East European countries and their settlement in occupied Arab territories constituted a new factor of tension and had jeopardized the stability of the region.

His Royal Highness Prince Saud Al-Faisal also referred to the Iran - Iraq situation, the Afghan problem, Lebanon, Namibia, South Africa, the situation of Muslim minorities and communities in various parts of the world, and the Jammu and Kashmir dispute.

His Royal Highness Prince Saud Al-Faisal called for searching ways and means to enhance the credibility of the OIC and effectiveness of its organs and institutions and for intensification of efforts so that this Organization is able to give concrete expression to Islamic cooperation and solidarity. In this context, His Royal Highness Prince Saud Al-Faisal underlined that it is important to pursue our efforts in the framework of Joint Islamic Action based on the Declaration of Makkah Al-Mukarramah and Plan of Action for Strengthening Economic Cooperation among Member States adopted by the Third Islamic Summit.

His Royal Highness Prince Saud Al-Faisal also apprised the Conference of the various actions which had been taken under his direction by the Secretary General for the implementation of resolution 6/18-AP on the functioning of the OIC.

6. His Excellency Dr. Hamid Algabid, Secretary General of the Organization of the Islamic Conference, made a statement in which he thanked the President of the Arab Republic of Egypt, His Excellency Mohammed Hosni Mubarak, for having accepted to accord his high patronage to the Nineteenth Islamic Conference of Foreign Ministers and for his sagacious address during which he outlined the basic guidelines which should be followed for the Joint Islamic Action in order to meet the momentous changes which have transformed the political and social facts in the world particularly in Europe. His Excellency Dr. Hamid Algabid also expressed his appreciation and gratitude for the generous hospitality which has been extended by the Government and the people of Egypt.

His Excellency, Dr. Hamid Algabid, the Secretary General, analysed the profound transformations which took place in various regions of the world and on the international scene in general. In this regard he noted that if these changes had raised hopes, at the same time, they carry real dangers and major challenges to our young nations. Thus he called on Islamic nations to take into account these changes and to think and build together their future.

His Excellency Dr. Hamid Algabid referring to the situation in the Middle East and in the occupied Palestine indicated that the vigour of Intifada, which has already entered its third year, is an evidence of the courageous resistance of the proud people of Palestine against oppression and its unwavering determination to liberate its land from the Zionist occupation and to establish its independent state under the leadership of the PLO, its sole legitimate representative. His Excellency Dr. Hamid Algabid denounced the massive transfer of Jews from the Soviet Union to the occupied Palestine, within the framework of the expansionist policies of the Zionist State, which aim to establish new settlements and forced judaisation of Palestine by changing the demographic character of Palestinian and Arab lands. Its final objective is pure and simple annexation of these territories. His Excellency Dr. Hamid Algabid paid tribute to the Palestinian peace strategy adopted by the Palestinian National Council adopted during its historic session held in Algiers during November 1988, which resulted in the proclamation of the Independent State of Palestine. His Excellency Dr. Hamid Algabid deplored the vote in the United States Congress which declared Jerusalem as the eternal capital of Israel as well as the decision of the U.S. Government to suspend its on-going dialogue with the PLO.

/...

His Excellency Dr. Hamid Algabid expressed his deep concern on the situation in Lebanon and paid tribute to the unceasing efforts made for restoring peace in the framework of the High Arab Tripartite Committee.

His Excellency Dr. Hamid Algabid expressed the hope that the new spirit manifested by Iraq and Iran would permit to boost the process of negotiations aiming to bring about a durable peace and to restore the brotherly relations of cooperation between the two countries.

His Excellency Dr. Hamid Algabid also noted that the question of Afghanistan had remained a source of concern despite the withdrawal of foreign troops from this country. In this respect he underlined that a final settlement of the Afghan question requires that power be transferred to a broad-based representative government and that the Afghan people be able to exercise their inalienable right to self-determination.

Speaking about the problem of Muslim minorities and communities in the world, His Excellency Dr. Hamid Algabid affirmed that the OIC should be able to continue to pursue, to strengthen and to amplify its role for the protection and its mission to give humanitarian assistance to the Muslim minorities and communities in Non-Member States.

Speaking about African questions, His Excellency Dr. Hamid Algabid welcomed the proclamation of the independence of Namibia and the liberation of Nelson Mandela, Vice President of the African National Congress. His Excellency Dr. Hamid Algabid called on the international community to maintain economic sanctions and measures of boycott against South Africa until the total abolition of apartheid.

Referring to the situation in the countries of the Sahel, His Excellency Dr. Hamid Algabid emphasized the new danger posed by the locusts and other plundering insects and recommended that the joint efforts be made for the mobilisation of greater means and modern early-warning systems.

His Excellency Dr. Hamid Algabid concluded his statement by drawing attention to the critical financial situation of the General Secretariat and of the subsidiary organs and specialized institutions and launched an appeal to the Member States for regularly paying their contributions to the budget of the Organisation to enable it to realize its objectives.

7. His Excellency Dr. Abdul Rahman Al-Awadhi, Minister of State for Cabinet Affairs of the State of Kuwait and the Head of the Delegation of the State of Kuwait made a statement on behalf of His Highness Sheikh Jaber Al-Ahmad Al-Jaber Al-Sabah, Emir of the State of Kuwait and the Chairman of the Fifth Islamic Summit Conference. His Excellency Dr. Abdul Rahman Al-Awadhi underlined that our Islamic issues did not have their rightful share of the positive detente that has become characteristic of our contemporary world. He added that "we must act and redouble our efforts to prevent the Islamic world from being overwhelmed by its old problems or from other problems that would impede the achievement of its crucial objectives, as it would also prevent it from consolidating the unity on which it must rest and also obstruct its natural role which consists in planning out peace, security and prosperity for the future generations".

8. The Conference thereafter unanimously elected His Excellency Dr. Ahmed Essmet Abdul Meguid, Deputy Prime Minister and the Foreign Minister of the Arab Republic of Egypt as the Chairman of the Nineteenth Islamic Conference of Foreign Ministers.

9. After assuming the Chairmanship, His Excellency Dr. Ahmed Essmet Abdul Meguid, Deputy Prime Minister and Minister

of Foreign Affairs of the Arab Republic of Egypt delivered a statement in which he reaffirmed the commitment of Egypt to mobilise all its potentials for the success of the Conference and for the implementation of the resolutions it will adopt. His Excellency Dr. Ahmed Essmat Abdul Meguid paid tribute to the Custodian of the Two Holy Mosques King Fahd Ibn Abdul Aziz Al-Saud, and to the Government of the Kingdom of Saudi Arabia, for the efforts they exerted to ensure the success of the Eighteenth Islamic Conference of Foreign Ministers. His Excellency Dr. Ahmed Essmat Abdul Meguid also paid tribute to His Royal Highness Prince Saud Al-Faisal, Minister of Foreign Affairs and the out-going Chairman of the Conference for all the accomplishments made during his mandate.

His Excellency Dr. Ahmed Essmat Abdul Meguid underlined the diversity and the seriousness of the challenges facing the Islamic Ummah. He referred to the fundamental principles which should guide the Islamic action to confront these challenges, the first of these principles is peace. At a time when Islam is considered as the religion of peace, and when the world is witnessing radical changes towards entente and cooperation, several Muslim peoples are not enjoying peace.

The second principle is interdependence closely linked to peace. The Islamic Ummah will enjoy peace only when it realises mutual cooperation between its states and peoples in order to channel its potentials towards the welfare and prosperity of its peoples. Development constitutes the third principle. The realization of peace and mutual assistance will be accomplished only by coordinating efforts and mobilizing the resources of the Islamic countries for comprehensive development, taking into account the causes of renaissance.

At the conclusion of his speech, His Excellency Dr. Essmet Abdul Meguid wished that Islamic cooperation be the motto of Islamic Call before the entire world and that the unity of the Islamic Ummah be the way for realizing the common Islamic interests.

It called for adherence to the principles of the OIC Charter, particularly the provision that disputes among Member States be settled by peaceful means, and non-interference in the internal affairs of any state. It also demanded that both countries abide by the dictates of good neighbourliness; refrain from any attempt to forcibly change the internal systems of either state; respect the sovereignty, independence and territorial integrity of all states; and urged them to refrain from the use, or the threat of use of force, against the unity, territorial integrity and independence of either of them.

Having been informed that the Iraqi Government has declared its intention to withdraw its armed forces from Kuwait, the Conference decided to follow up the unconditional implementation of this pledge by the Iraqi side, while expressing support for the legitimate regime in Kuwait under His Highness the Emir, Sheikh Jaber Al-Ahmed Al-Jaber Al-Sabah, the Emir of the State of Kuwait, and Chairman of the Fifth Islamic Summit; confirming its full solidarity with the Emir, Government and the people of Kuwait.

I. POLITICAL ISSUES:

27. The Conference reaffirmed its full solidarity and support of the just cause of the Palestinian people to restore their inalienable national rights including their right to return to their homeland, to self-determination and to the establishment of their own independent State on their national soil with Al-Quds Al-Sharif as its capital.

The Conference saluted the blessed Intifadha against the Israeli occupation and expressed its full support to the heroic steadfastness as symbolised by the intifadha which has continued and foiled all the attempts of the Israeli forces aiming at its liquidation.

The Conference strongly condemned the policy of terror and oppression launched by the Zionist entity against the Palestinian people in the occupied Palestinian and Arab territories which has resulted in gross and flagrant violations of the fundamental human rights of the Palestinian people.

The Conference demanded that Israel, abide scrupulously by the Geneva Convention relative to the Protection of Civilian Persons in Time of War of 12 August 1949 and desist from those practices which are in violation of the provisions of the Convention.

The Conference also urged the parties signatory to the Convention to guarantee the respect by Israel, as the occupying power, to the Convention in all circumstances conforming to their obligations under Article I thereof.

The Conference paid a warm tribute to the Palestinian people who have through their innumerable sacrifices and sufferings set new examples of courage and fortitude and thus compelled the international community to give urgent attention to their just cause.

The Conference expressed its grave concern on the massive transfer of Jews from the Soviet Union to Israel and their settlement in occupied Palestinian territories. It urged the international community particularly the Union of Soviet Socialist Republics, the United States of America and European States to take due account of the implications of this massive immigration into occupied Palestine which is in flagrant violation of international law particularly the Fourth Geneva Convention of 1949.

The Conference considered that this Soviet Jewish immigration to Palestine would flout the rights of the Palestinian people, alter the demographic composition of the occupied Palestine and gravely imperil the prospects of peace in the region. Moreover, it would encourage the Zionist entity to pursue its nefarious plans to establish a "Greater Israel" and thus threaten international peace and security.

The Conference expressed its serious concern on the policy pursued by the new Government in Israel, which has not hesitated to demonstrate its contempt for all peace efforts and on the contrary considers war as a means to get Israel out of its present predicament.

The Conference welcomed the recognition of the independent State of Palestine by a large number of States and reaffirmed its support for the Declaration of Independence and the political programme adopted by the Palestinian National Council at its Nineteenth Extraordinary Session.

ANNEX II

**SPECIAL DECLARATION ON THE SITUATION  
BETWEEN IRAQ AND KUWAIT, ADOPTED BY THE  
NINETEENTH ISLAMIC CONFERENCE OF FOREIGN MINISTERS  
(SESSION OF PEACE, INTERDEPENDENCE AND DEVELOPMENT)  
HELD IN CAIRO, ARAB REPUBLIC OF EGYPT  
FROM 9 TO 14 MUHARRAM, 1411H (31 TO 5 AUGUST 1990).**

The Conference received with deep regret the news of the tragic incidents arising between two members of the Organisation of the Islamic Conference, namely Iraq and Kuwait. It so happened that these incidents took place during the current session of the Conference, at a time when hopes had been placed on the imminent successful outcome of the direct contacts which had been well arranged by sincere fraternal Arab parties, so as to contain the crisis arising between the two brotherly countries and reach a satisfactory and peaceful settlement of the dispute.

The Conference expresses support for the statement issued by H.E. the Secretary General of the Organisation, on this issue on 11 Muharram, 1411H corresponding to 2 August 1990 (ICFM/19-90/SG).

The Conference condemns the Iraqi aggression against Kuwait, and rejects all its consequences; it does not recognize anything arising therefrom; and demands that the Iraqi forces be withdrawn immediately from Kuwaiti territories and return to the positions they had held before 10 Muharram 1411H, corresponding to 1 August, 1990. It calls for adherence to the principles of the OIC Charter, particularly the provisions stipulating the necessity of settling disputes among Member States by peaceful means and non-interference in the internal affairs of any State. It also demands that both countries abide by the dictates of good neighbourliness; refrain from any attempt to forcibly change the internal systems of either state; respect the sovereignty, independence and territorial integrity of all states; and urges them to refrain from the use, or the threat of use of force, against the unity, territorial integrity and political independence of either of them.

Having been informed about the announcement made by the Iraqi Government concerning its decision to withdraw its armed forces from Kuwait, the Conference will follow up the unconditional implementation of this pledge by the Iraqi side, while expressing support for the legitimate regime in Kuwait under the leadership of His Highness the Emir, Sheikh Jaber Al-Ahmed Al-Jaber Al-Sabah, the Emir of the State of Kuwait, and Chairman of the Fifth Islamic Summit; the Conference reaffirms its full solidarity with the Emir, Government and people of Kuwait.

Cairo, 4 August 1990

STATEMENT OF HIS EXCELLENCY DR. HAMID ALGABID,  
SECRETARY GENERAL OF THE ORGANIZATION OF THE  
ISLAMIC CONFERENCE ON THE IRAQ-KUWAIT CONFLICT

The Secretary General of the Organization of the Islamic Conference, who had immediately after the beginning of the tension in relations between Iraq and Kuwait, called on the two parties to demonstrate wisdom and restraint, is following with deep concern the serious and dangerous new situation created in the region and which is characterized notably by the use of force to settle a bilateral dispute.

The Secretary General expresses his grief and sadness on these tragic events involving two member countries of the Organization of the Islamic Conference. These events carry great threat to peace and stability of the entire Gulf region and to peace and security of the whole world.

The Secretary General recalls the commitment contained in the Charter of the OIC to refrain, in relations between Member States, from the use of force against the unity and territorial integrity or political independence of any Member State.

Consequently, the Secretary General of the OIC calls for immediate cessation of all military operations undertaken and for the withdrawal of troops engaged in these operations to the internationally recognized frontiers of Iraq and Kuwait.

Based on the teachings of Islam, which call for peace, brotherhood and unity and on the relevant provisions of the Charter of the OIC, the Secretary General strongly urges the two parties to seek through dialogue a satisfactory settlement to this conflict, which has come in an inappropriate manner to affect the spirit of good neighbourliness, entente and cooperation which has always characterized the Kuwaiti-Iraq relations.

Consultations are currently being undertaken in the framework of the Nineteenth Islamic Conference of Foreign Ministers for examining ways and means to contribute towards this end.

He emphasized the need for resolutions that could meet the expectations and objectives of the Islamic Ummah.

His Excellency the Chairman of the Committee suggested that agenda items be classified according to topics and referred to the relevant working groups in order to harmonize the draft resolutions, save time and

achieve the best results possible: These Working Groups would then submit their conclusions to the Political Committee. The working groups were set up as follows:

In respect of item 44 on the question of the Muslims in Southern Philippines, it was not considered by the Committee because the meeting of the Quadripartite Committee entrusted with the follow up of this question had decided to submit its report to the Plenary.

All working groups met on 1 August 1990, while the Political Committee was considering the items which had not been assigned to them.

The Political Committee held seven sessions at which it considered all the political, legal and information agenda items. It heard the presentations made by the Chairman of the Working Groups and discussed their conclusions before adopting draft resolutions on all agenda items. The Committee submitted these draft resolutions to the Plenary Session of the Ministerial Conference and recommended their adoption.

Some delegations expressed reservations on certain items in the draft resolutions the General Secretariat took note of those reservations and put them on record in its documents.

RESOLUTION NO. 2/19-P  
ON THE  
TRANSFER OF SOVIET JEWS TO THE OCCUPIED  
PALESTINIAN TERRITORIES

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9 to 14 Muharram, 1411H (31 July to 5 August, 1990),

Proceeding from the principles and objectives of the Charter of the Organisation of the Islamic conference;

Affirming the continuing enhancement of Islamic solidarity and the commitment of the Islamic States to lend support to the just struggle of the Arab people in Palestine, Syrian Arab Golan and Lebanon;

Also affirming that the dangerous Zionist aggressive expansion is not only aimed at the front-line Arab States but also at destabilizing Islamic States and threatening their independence which constitutes a threat to international peace and security;

Welcoming the programmes and plans proposed by Al-Quds Committee chaired by H.M. King Hassan II, of Morocco to stop the massive transfer of Soviet Jews to the occupied Palestinian and Arab territories including the city of Al-Quds Al-Sharif;

Underlining the imminent danger posed by the mass transfer of Soviet Jews and others to the occupied Arab and Palestinian territories;

Recalling UN General Assembly Resolution No. (184) regarding the right of the Palestinians to return to their home land;

Drawing the attention to the fact that the planned transfer of Soviet Jews to the Palestinian territories including the City of Al-Quds, the Arab Syrian Golan, and the other occupied Arab territories, will lead to compulsory mass transfer of the Palestinian people from their land and other similar transfers of Arab inhabitants with the aim of carrying out the Zionist plan of establishing 'Greater Israel', thus constituting a grave danger to the safety and security of the Palestinian people and Arab and Islamic States;

Considering that the transfer of Soviet Jews and their settlement in the occupied Arab territories constitutes a flagrant violation of the principles of Human Rights, the Fourth Geneva Convention of 1949, and in particular, Article 49, as well as the principles of the International Conventions on civil and political rights;

1. ~~Strongly condemns~~ the transfer of Soviet and other Jews to occupied Palestine and the other occupied Arab territories as it constitutes a violation of the national rights of the Palestinian people, and a threat to the Arab and Islamic States and to the stability and security of the region.

2. ~~Salutes~~ the struggle of the Palestinian people and expresses its pride in the blessed Intifadha and appeals to all OIC Member States to continue to support its Jihad and to increase their solidarity and support with the just and legitimate struggle of the Palestinian people against Israeli occupation, to enable them to strengthen their steadfastness and to attain all their goals of liberty and independence.

3. ~~Strongly condemns~~ the continuing brutal Zionist and racist practices perpetrated against the citizens of occupied Palestinian and other Arab territories as well as the violation of human rights and international law, and appeals to international organisations to intervene to stop such inhuman practices considered as a flagrant violation of human rights and request the states party to the Fourth Geneva Convention to shoulder their responsibilities in order to ensure respect for the principles of the Convention.

4. ~~Stresses~~ the right of the Palestinian people to return to their occupied homeland, which was adopted by the UN General Assembly in its resolution (No.194).

5. ~~Strongly condemns~~ the policy of building settlements and the settling of Soviet immigrants and others in the occupied Palestinian and territories including Al-Quds Al-Sharif and the Arab Syrian Golan and the rest of the Arab occupied territories and considers all settlements in the occupied Arab territories as null and void and in contravention of international legitimacy.

6. ~~Demands~~ that all the occupied Palestinian territories including Al-Quds Al-Sharif be placed under provisional international control to ensure international protection to the Palestinian people and the prohibition of settling Jewish immigrants in the occupied Palestinian territories as a step toward achieving a just and comprehensive peace in the region.

7. Calls on the signatories to the Helsinki Conventions to open the way for the settlement on their territories of Jewish immigrants coming from other signatory states, consistent with their commitments to the provisions of the Convention.

8. Requests the Government of the Soviet Union, in line with its stands which are generally supportive of the Palestinian Cause:

- i. To prevent the transfer of Soviet Jews to Israel for the following reasons:-
  - (a) It constitutes a violation of International Laws, Conventions and Decisions.
  - (b) Israeli refusal to recognize the right of the Palestinian refugees to return to their homeland in conformity with the right to return stipulated in the Universal Declaration of Human Rights and the International Convention on Civil and Political Rights and the relevant UN Resolutions as well as prohibiting Palestinian refugees to practice these rights.
  - (c) It threatens the peace process in the region and encourages the Zionist enemy to adopt a policy of expansionism, settlement and aggression.
  - (d) It contradicts the emigrant's freedom to choose the country in which he wishes to settle in the light of the restrictions imposed by the US which limits the entry of Jewish immigrants to US territory as well as the closure of transit Centres in Europe which aim at compelling them to go to occupied Palestine.
  - (e) Israeli refusal to commit itself not to permit the settlement of Jewish immigrants in the occupied Palestinian and Arab territories and not to establish settlements therein.
- ii. To demand that Israel offer guarantees that it shall not settle Soviet Jewish immigrants in the occupied Palestinian territories including the city of Al-Quds Al-Sharif, as well as the Arab Syrian Golan and the other occupied Arab territories.

- iii. Not to deprive any immigrant of his nationality and to allow him to keep his passport so that he may return to his homeland if he so wishes.

9. Appeals to the US Government, in conformity with its declared stands against settlement in the occupied Palestinian and other Arab territories including Al-Quds Al-Sharif and the Arab Syrian Golan to seek to prevent the settling of immigrants in the occupied Palestinian and Arab territories including Al-Quds Al-Sharif and the establishment of settlements therein, and to work to bring about the dismantling of those already established in conformity with the provisions of International Resolutions adopted in this respect, and invites the US Government to shoulder its responsibilities through the adoption of the following measures:

- (a) To lift the restrictions, it has imposed on the entry of Jewish emigrants to the United States.
- (b) To stop assistance offered by the US Administration to the Israeli Government in support of Israeli settlement projects in the occupied territories.
- (c) To warn that tax-exemption of funds raised in the United States to support Israeli settlement projects contradicts the declared US policy concerning settlements in the occupied Palestinian and other occupied Arab territories.

10. Appeals to the European Community Member States, in accordance with their distinctive position vis-a-vis the Palestinian Cause:

- (a) To intensify contacts to oblige Israel to bring an end to the Israeli settlements and the settling of Jewish immigrants in the occupied Palestinian territories in conformity with relevant international resolutions.
- (b) To permit emigrants who wish to settle in any of the European countries in accordance with the Helsinki Agreements.

**RESOLUTION NO. 3/19-P**  
**ON THE**  
**PALESTINE QUESTION AND THE ARAB-ISRAELI**  
**CONFLICT**

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9-14 Muharram, 1411H (31 July - 5 August, 1990),

Proceeding from the principles and objectives of the Charter of the Organisation of the Islamic Conference;

Referring to the relevant resolutions of the Islamic Summit and Foreign Ministers Conferences;

Recalling all the resolutions of the United Nations, the Non-Aligned Movement and the Organisation of African Unity on the question of Palestine and the Arab-Israeli Conflict;

Recalling also the resolutions of the two Extraordinary Arab Summits held respectively in Casablanca in May 1989 and Baghdad in May 1990 in this regard;

Affirming the sustained enhancement of Islamic solidarity and the unswerving commitment of the Islamic States to the just struggle of the Arab people in Palestine, the Syrian Arab Golan and Lebanon;

Reaffirming that the Palestine Question is the core of the Arab-Israeli conflict, and that the Zionist enemy's continuing occupation of Palestinian and Arab territories and its refusal to withdraw from them, its annexation of Al-Quds Al-Sharif and the Golan and its denial of the inalienable national rights of the Palestinian people constitute a flagrant violation of international legitimacy and the principles of international law as well as the UN Charter and the relevant UN resolutions;

Noting with deep concern the critical situation in the Occupied Palestinian and Arab territories resulting from continued Israeli occupation and its persistence in pursuing a policy of racism and expansionism and in escalating its acts of terrorism and repression against Arab citizens particularly, the destruction of their houses and their expulsion from their homeland;

Asserting that the Geneva Convention of 1949 on the protection of civilians in times of war applies to

the occupied Arab territories including Al-Quds, Al-Sharif, and noting Israel's persistent refusal to apply it;

Affirming that the danger of Zionist aggression and expansionism threatens not only the Arab frontline States, but is also seeking to destabilize the Islamic States and threaten their independence and constitutes a threat to international peace and security;

Following with interest the continuation of the popular Palestinian Intifada in the Occupied Palestinian territories for the third year, aiming at putting an end to the Israeli occupation and achieving the inalienable national rights of the Palestinian people including their right of return, self-determination and the establishment of a Palestinian State with Al-Quds Al-Sharif as its capital;

Noting with appreciation the decisions announced in the speech delivered by H.E. Mr. Yasser Arafat, President of the State of Palestine and Chairman of the Executive Committee of the Palestine Liberation Organisation at the Security Council, in Geneva, on 25 May, 1990;

Noting with deep concern that collusion between Israel and South Africa, leads to the encouragement of the policy of terrorism and physical liquidation of Palestinians and Arabs in the occupied territories on the one hand, and the black majority in South Africa on the other;

1. Salutes the struggle of the Palestinian people, expresses pride for their blessed Intifada, and calls upon all Member States to continue supporting their Jihad, to increase solidarity and backing of their just and legitimate struggle against Israeli occupation until they achieve their full objectives of freedom and independence.

2. Confirms its support of the independent State of Palestine and the right of Palestinian people to exercise sovereignty over their territory in their independent State.

3. Supports efforts being exerted to convene the International Peace Conference under the auspices of the UN with the participation of the permanent member States of the Security Council as well as all concerned parties, including the Palestine Liberation Organisation, on an equal footing with the other parties, in accordance with relevant UN General Assembly resolutions the latest of which being resolution 44/42 on establishing a just and lasting peace in the Middle East.

4. **Confirms** its support and backing of the Palestinian Peace Initiative based on international legitimacy with a view to bringing a solution to the Palestinian Question which is the core of the Arab-Israeli conflict in the Middle East.

5. **Confirms** that the Palestine Question is the primary cause of Muslims and the core of the Arab-Israeli Conflict and that a just and comprehensive peace in the region can only be established on the basis of total and unconditional withdrawal of Israel from all occupied Palestinian and Arab territories, and of the restoration and exercise of inalienable national rights of the Palestinian people including their right to return, to self-determination, and to the establishment of their independent Palestinian State on their national soil with Al-Quds Al-Sharif as Capital.

6. **Reaffirms** that the Palestine Liberation Organisation (PLO) is the legitimate and sole representative of the Palestinian people and that the PLO alone has the full right to represent them and to participate, on their behalf, independently and on an equal footing, in all conferences and activities relating to the Palestine Question and the Arab-Israeli Conflict, and to lead their struggle for the liberation of the territory of the State of Palestine from Israeli occupation.

7. **Demands** immediate and unconditional Israeli withdrawal from all occupied Palestinian and Arab territories, and calls upon the U.N. to take all necessary procedures to ensure cessation of occupation of Palestinian and Arab territories and to provide protection for the Palestinian people by placing the occupied Palestinian territories under provisional international supervision in preparation for the realization of a just and comprehensive peace in the region.

8. **Expresses** regret for the suspension by the United States of America of its dialogue with the Palestine Liberation Organisation, and requests its resumption and its strengthening by upgrading its level considerably. The Conference also requests the USA to assume a just, balanced and unbiased political stand

vis-a-vis the Arab-Israeli Conflict, by recognizing the right to self-determination of the Palestinian people and respecting it which would help achieve a just and comprehensive settlement in the Middle East.

9. Strongly condemns continuing Zionist barbaric and racist practices against the citizens of the Occupied Palestinian and Arab Territories, and appeals to international organisations to intervene to stop such inhuman practices which are considered as a flagrant violation of Palestinian human rights.

10. Reaffirms that Al-Quds Al-Sharif is part of the Occupied Palestinian Territory, and the capital of the State of Palestine and that any infringement of its legal status is a flagrant violation of international conventions, laws and resolutions and considers it illegal, null and void. In this respect the Conference strongly condemns the decision of the U.S. Congress considering "Jerusalem as an eternal capital of Israel", which contradicts International Law, U.N. resolutions and the official U.S. stand on the Holy City.

11. Strongly condemns the settlement policy, pursued by Israel and the settling of Soviet immigrants in the Occupied Palestinian and Arab territories, including the city of Al-Quds Al-Sharif, particularly the transfer of Jews and immigration of Soviet Jews and their settlement in these territories, which lead to the dispersion and deportation of more Palestinian and Arab inhabitants away from their homes which in turn undermines all efforts aimed at realizing a just and durable peace. It considers all existing settlements in the occupied territories as null and void and in contravention of international legitimacy.

12. Commends the sustained efforts of the Islamic Group at the United Nations and calls on it to spare no effort in having international resolutions adopted in favour of the Palestinian Question.

13. Condemns the total cooperation between the racist regimes in Tel Aviv and Pretoria, particularly in the field of nuclear arms, and warns against the dangers of that cooperation.

14. Affirms the commitment of Member States to intensify their efforts and coordinate their stands in all international fora, with a view to enhancing international cooperation in confronting the designs of the racist regimes in Israel and South Africa.

15. Expresses its deep concern over the situation in the Palestinian Camps in Lebanon resulting from the continued Israeli aggressions and calls for sustained action to give the necessary support for their reconstruction as well as that of the Lebanese areas in their vicinity and for meeting the subsistence needs of their Palestinian population through cooperation and coordination between the PLO and the Lebanese Government, the sole legitimate authority. It condemns and denounces the barbaric raids and repeated aggressions of the Zionist enemy against these Camps.

16. Expresses its support and backing of the Republic of Iraq in confronting Zionist threats, and the right of Iraq to deter any aggression on it, and also expresses solidarity with Iraq in facing the western campaign, particularly that of the US, which aims at preventing Iraq from developing its technological capabilities.

17. Expresses its appreciation to the Vatican City for its positive stand vis-a-vis the Palestine Question and its political support for the peace initiative of the PLO.

18. Expresses its appreciation to the States of the European Economic Community for their positive role towards the convening of an International Conference on Peace in the Middle East and their supportive stands vis-a-vis the Palestinian Question, and their support for the PLO's peace initiative and calls upon them to further develop their positive stands, recognize the Palestinian State and establish relations with it.

19. Expresses appreciation for the stand taken by the international community at political and information levels, as well as by the United Nations, the Non-aligned Movement, the OAU and all the peoples and international forces which have supported the Palestine cause in the international fora, stood up for the struggle of the Palestinian people and their blessed Intifada

20. Expresses appreciation for the constructive efforts of the UN Secretary General to bring about a peaceful settlement of the Palestine Question and the Arab-Israeli Conflict in the Middle East, in accordance with relevant U. N. resolutions.

21. Commends the efforts made by the Committee for the exercise of the inalienable rights of the Palestinian people, chaired by the Republic of Senegal to fulfil the tasks entrusted to it by the UN General Assembly.

22. Requests the Secretary General to follow up the implementation of this resolution and to submit a progress report thereon to the Twentieth Islamic Conference of Foreign Ministers.

**RESOLUTION NO. 4/19-P**  
**ON**  
**THE OCCUPIED SYRIAN ARAB GOLAN**

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9-14 Muharram 1411H (31 July - 5 August 1990),

2. Strongly condemns Israel for non-compliance with UN Security Council Resolution 497 (1981).

3. Reaffirms that Israel's decision to impose its laws, jurisdiction and administration on the Occupied Syrian Arab Golan is illegal, null and void and has no legal effect whatsoever. It constitutes a flagrant violation of the OIC Charter and resolutions, the UN Charter and relevant resolutions, and the principles of International Law.

4. Strongly condemns Israel for its persistence in changing the legal status, demographic composition and institutional structure of the occupied Syrian Arab Golan, and for its policy and practices, for expropriating territories, confiscating water resources, building settlements and bringing in settlers and emigrants and economic boycott of the agricultural products of the local population and prohibiting their exportation.

5. **Strongly condemns** Israel's attempts to impose Israeli nationality and identity cards on the Syrian Arab citizens, as these measures constitute a flagrant violation of the Universal Declaration of Human Rights, Fourth Geneva Convention of 1949 and the relevant resolutions of the UN General Assembly and other international bodies.

6. **Reaffirms** that Israel's record, policies and actions prove that it is a non-peace loving nation, that it persists in its violation of the principles of the UN Charter, and that it has not honoured its obligations as stated in the Charter or in the General Assembly Resolution 273 (D-II?) of 11 May 1949.

7. **Requests** the Secretary General to follow up the implementation of this resolution, and submit a report thereon to the next Islamic Conference of Foreign Ministers.

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9 to 14 Muharram, 1411H (31 July to 5 August, 1990),

Inspired by the principles and aims of Charter of the Organization of the Islamic Conference which call for the liquidation of racism;

Referring to the U.N. Declaration on the elimination of all forms of racial discrimination;

Noting Israel's persistence in its aggressive policies which reflects the racism of Zionist thought;

Noting the close cooperation between Israel and South Africa, and the similarity of their policies and practices in violation of Human Rights and International Conventions;

Following with deep concern the attempts made by certain countries to revoke the General Assembly Resolution 3379/S-30 of 1975 which considers Zionism as a form of racism and racial discrimination,

1. Considers that any attempt to revoke a U.N. Resolution establishes a serious precedent in the history of that Organization detracting from its credibility and calling into question previously adopted Resolutions.
2. Requests Member States to work within and outside the framework of the United Nations to thwart any attempt at repealing General Assembly Resolution 3379 of 1975.
3. Requests the Secretary General to follow up this question and submit a report thereon to the Sixth Islamic Summit Conference.

RESOLUTION NO. 6/19-P  
ON  
CONTESTING ISRAELI CREDENTIALS  
AT THE UNITED NATIONS

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9-14 Muharram, 1411H (31 July to 5 August, 1990),

Proceeding from the principles and objectives of the Charter of the Organisation of Islamic Conference;

Recalling the violation by Israel of its commitments under the UN Charter and its refusal to implement the Security Council resolutions on the question of Palestine and the Middle East, which constitute a flagrant infringement of Article 25 of the UN Charter;

Reaffirming its condemnation of Israel for its refusal to implement the Security Council resolutions that demand that it abrogate its laws annexing occupied Al-Quds, declaring it its eternal capital, as well as imposing laws, jurisdiction and administration over the occupied Syrian Arab Golan;

1. Declares that Israel, its policies and practices prove that it is not a peace-loving state, that it persists in violating the principles of international law and of the UN Charter, and that it has reneged from its obligations set forth in General Assembly Resolution 373 (S.3) of 11 May 1949, by virtue of which it became a member of the United Nations.

**RESOLUTION NO. 7/19-P**  
**ON THE**  
**RESUMPTION OR ESTABLISHMENT BY SOME STATES**  
**OF DIPLOMATIC RELATIONS WITH ISRAEL**  
**AND ON THE**  
**TRANSFER AND ESTABLISHMENT OF EMBASSIES**  
**IN AL-QUDS AL-SHARIF**

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9-14 Muharram, 1411H (31 July to 5 August, 1990),

Recalling the relevant resolution of previous Islamic Conferences, which reaffirm the commitment of Member States to sever all political, economic, military, cultural and other direct or indirect relations with Israel;

Reasserting that the maintenance or resumption of those relations helps Israel to continue its usurpation of Palestine and of the inalienable national rights of the Palestinian people, and perpetuates Israeli occupation of Arab territories;

Recalling Resolution 1155 of the 48th Ordinary Session of the Council of Ministers of the Organisation of African Unity, held in Addis Ababa from 19 to 23 May 1989, which recommended that Member States reiterate their firm resolve not to establish or resume diplomatic relations with Israel, this country being a natural and loyal ally of racist South Africa;

1. Calls upon Member States to abide by the resolutions of Islamic Conferences on not establishing of any kind of relations with Israel.

2. Deplores that some states have resumed their diplomatic relations with Israel and requests them to reconsider their decision.

3. Appeals to those Member States that intend to resume or establish diplomatic or other relations with Israel to re-examine their positions.

4. Urges the States that maintain diplomatic and other relations with Israel to re-consider such relations in compliance with the relevant resolutions of Islamic Conferences.

6. Requests the Secretary General to follow up the implementation of this resolution.

RESOLUTION NO. 8/19-P  
ON THE  
ISRAELI NUCLEAR ARMAMENT

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9 to 14 Muharram, 1411H (31 July to 5 August, 1990),

Noting the ongoing relations between Israel and South Africa in all fields, particularly as regards the development of nuclear arms and their delivery systems enabling them to reach their targets;

Recalling the resolutions of the Islamic Conferences, the latest of which is Resolution No.17/5-P (IS) adopted by the Fifth Islamic Summit and Resolution No.17/18-P issued by the Eighteenth Islamic Conference of Foreign Ministers;

Referring to the Resolution No.487 (1981) adopted unanimously by the Security Council which demanded Israel to urgently place all its nuclear facilities under the guarantees of the International Atomic Energy Agency;

Referring to the UN General Assembly Resolutions on Israeli nuclear armament, the latest being Resolution No.44/121 dated 15/12/1989;

Referring to the UN General Assembly Resolutions on the establishment of a nuclear-free zone in the Middle East, the latest of which is Resolution 44/108, dated 15/12/1989 which requested, inter alia, the states of the Middle East to accede to the Nuclear Non-proliferation Treaty and to agree to put all their nuclear activities under the guarantees of the International Atomic Energy Agency and to declare their support for the establishment of such a zone and to deposit such data with the Security Council;

Referring to the Resolutions of the General Conference of the International Atomic Energy Agency, the latest being Resolution No.506 dated 29/9/1989 which demanded Israel to place all its nuclear facilities under the guarantees of the International Atomic Energy Agency in compliance with the Security Council Resolution No.487 of 1981;

Referring to the studies and information published by the international institutes, centres and organisations including the findings of the studies of the UN Institute for Disarmament Research (DOC 1/40/520 of 1985), all of which affirm Israel's possession of nuclear weapons;

(Also there are important indications to the effect that Israel had been on the threshold to become a nuclear weapon state at least a decade ago; and that the Experts Group wishes to state that there is no doubt that Israel can now manufacture nuclear arms within a very short time, indeed if it has not actually crossed this threshold);

Deeply concerned that Israel is the sole party in the Middle East region to possess important nuclear installations, but has not yet adhered to the Treaty on the Non-Proliferation of Nuclear Weapons;

Having considered the report of the Secretary General on the subject;

Noting also with deep concern the constant refusal of Israel to refrain from manufacturing nuclear weapons, possessing them, and applying to all its nuclear installations the safeguards system of the International Atomic Energy Agency, despite repeated appeals from the UN General Assembly, the Security Council and the International Atomic Energy Agency;

Noting further with deep concern the persistence of the racist Zionist entity in pursuing a policy of nuclear armament and carrying out covert and illegal activities for the possession of fissionable material and nuclear detonation devices, as reflected in the reports published since 1985 by the International Atomic Energy Agency, and according to US sources and other relevant information made public in October 1986;

Deeply concerned at the possibility of an escalation of the arms race in the region as a result of Israel's possession of nuclear weapons which poses a threat to the safety and security of the countries of the region;

Realizing that the responsibility behoving the states of the region to safeguard their safety and security dictates that they take all measures needed to strengthen their defence potentials to counter the increasing threat posed by the Israeli nuclear weaponry to their security;

Convinced that the overt Israeli policy of aggression against and destruction of nuclear installations devoted to peaceful purposes as proved by its bombing and destruction of the Iraqi Tamuz Reactor on 7 June 1981 which applied the safeguards system of the International Atomic Energy Agency, is part of its nuclear armament policy;

Deeply concerned at the development of long-range missiles possessed by the racist zionist entity and the launching of two space satellite for military purposes;

1. Strongly condemns Israel for refusing to renounce its policy of possessing nuclear arms.
2. Condemns Israel's refusal to adhere to the Treaty on the Non-Proliferation of Nuclear Weapons.
3. Reiterates its condemnation of Israel for persistently refusing to implement UN Security Council Resolution 487 (1981), and resolutions of the UN General Assembly and the International Atomic Energy Agency, urging it to submit all its nuclear installations to the safeguard system of the International Atomic Energy Agency.
4. Reiterates its strong condemnation of the cooperation and collusion between Israel and South Africa in the sphere of nuclear armament which threatens the safety and security of Africa and the Middle East in particular, and international peace and security in general.
5. Reaffirms the determination of Member States to pursue their cooperation at the United Nations, the International Atomic Energy Agency and other relevant international fora to compel Israel to abide by the international resolutions, particularly to subject its nuclear installations to international inspection.
6. Urges the Conference on Disarmament to accelerate the conclusion of an international convention banning military acts of aggression on existing nuclear installations operating for peaceful purposes.
7. Requests the International Atomic Energy Agency to stop all forms of scientific cooperation with Israel that may enhance its nuclear potential.
8. Requests all states and organisations that have not yet done so to put an end to their cooperation with and assistance to Israel in the nuclear field.
9. Calls on the states that have extended material and technical assistance to the Israeli nuclear potential to issue official statements, in accordance with their commitment to international conventions, on the volume and types of the assistance provided and the safeguard measures taken.

10. Requests the OIC General Secretariat to continue to closely follow Israeli nuclear activities, update the study on Israeli Nuclear Armament in the light of the information available and report thereon to the Sixth Islamic Summit Conference.

11. Requests the Secretary General to closely follow the implementation of the provisions of this resolution and report thereon to the next Islamic Conference of Foreign Ministers.

Highlighting the importance of implementing the plans and programmes proposed by the Committee to put an end to the practices of the Zionist enemy and the continued confiscation and annexation of occupied Palestinian and Arab territories including the City of Al Quds Al Sharif and their gradual erosion through measures for judaization and for the establishment of further settlements there and bringing in more Zionist immigrants, for the purpose of creating a demographic, cultural and religious transformation, in addition to the escalation of terrorist and iron fist policy pursued by Israel against the Arab Palestinian inhabitants;

IN SOUTH AFRICA

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9 to 14 Muharram, 1411H (31 July to 5 August, 1990),

13. Urges the UN Security Council to consider without delay the adoption of comprehensive mandatory sanctions against South Africa.

6. Urges all States, in a spirit of genuine Islamic solidarity with the Frontline States, to refrain from providing these terrorist groups with any military, political or material assistance, the latter being tools at the service of the Pretoria policy aimed at perpetuating apartheid in South Africa and for the destabilization of the neighbouring independent States.

**ESPECIALLY IN EASTERN AND CENTRAL EUROPE AND**  
**THEIR EFFECTS ON THE ISLAMIC WORLD**

The Nineteenth Islamic Conference of Foreign Ministers (Session of Peace, Interdependence and Development), held in Cairo, Arab Republic of Egypt, from 9 to 14 Muharram, 1411H (31 July to 5 August 1990),

Having taken cognizance of the current developments in East European countries in the political, economic and social fields, and all the internal and external repercussions thereof;

Having considered the memorandum submitted by the delegation of the Arab Republic of Egypt in this regard;

Taking note of the fact that these developments have led to the strengthening of economic relations and interdependence between East and West, and the flow of financial resources to East European countries;

Noting with satisfaction the outcome of these developments, leading to detente in relations between East and West, the end of an era of cold war between the two blocs, and an increasing tendency towards solving regional issues by peaceful means.

Expressing concern over the fact that the process of settling the Arab-Israeli conflict is stumbling and the negative impact on the efforts to settle that issue resulting from current developments due to the settlement of Jewish immigrants in Israel in the occupied Arab and Palestinian territories.

1. Welcomes the free and democratic options of the people of East Europe, and expresses the hope that those options would develop relations between the Islamic World and East European countries, on the basis of mutual respect and interest and provided no changes occur in the positions adopted by East European countries in support of just Arab and Islamic causes.

2. Warns against the perilous consequences of the transfer of Jews and their settlement in the occupied Arab and Palestinian territories, and its negative impact on the peace process, all of which increase tension in the Middle East region and threaten international peace and security.

3. Expresses the wish to maintain and promote ties of friendship and cooperation between the Islamic World and East European countries, based on the principle of common interests.

4. Expresses the hope that strengthening economic relations between East and West would not affect the order of priorities in respect of economic cooperation and trade exchange between those countries and Islamic countries, nor have a negative impact on the flow of financial resources extended by the advanced countries, whether Eastern or Western, for financing development efforts in Muslim and Third World countries.

5. Expresses the hope that the States of Eastern and Western Europe and other States would respect the Islamic identity of the Muslim communities and/or minorities living in their countries and their right to practice their religious rites.

6. Requests the Secretary General to prepare a detailed study that would include an analysis of the current situation of Central and Eastern Europe and the changes occurring there from the political, economic and social angles and their effect on human rights and freedom of worship; and also to assess the effect of such developments on the Islamic Ummah and to draw up an effective Islamic strategy for dealing with such changes and report thereon to the Twentieth Islamic Conference of Foreign Ministers.

Realizing that science and technology are the products of integrated human endeavours, whose achievements should serve the interests of all men;

1. **DECLARES** the inalienable right of the Islamic Ummah to development and to the use of science and technology to achieve it in the social, economic and cultural fields, in favour of the Muslim communities and all mankind;

Stressing the inalienable rights of ethnic and religious minorities in non-Muslim countries to enjoy their own culture, to speak and receive education in their own language, to profess and exercise their own religion and to preserve and develop their ethnic, religious and cultural identity;

Noting with appreciation the invaluable support provided by the Islamic community for the rightful and legitimate cause of the Turkish Muslim minority in Bulgaria as well as the commendable efforts of the OIC Contact Group;

Taking particular note of the report submitted by

the OIC Contact-Group wherein it is stated inter alia:

- that the recent events in Bulgaria not only confirmed the authenticity of the earlier reports of the Contact Group but also fully vindicated its stand on the issue.

- that the declaration adopted by the National Assembly of Bulgaria fully reflects the extent of excesses committed by the previous Bulgarian regime on the Turkish Muslim Minority.

- that the measures announced by the new government in Bulgaria to improve the conditions of the Turkish Muslim Minority are apparently inadequate to justify the conclusion that the conditions of the Muslim minority will improve in the near future or that they are likely to get back all those rights and privileges which they were enjoying.

- that it is too early to say that the new regime in Bulgaria has adopted necessary remedial steps to undo the wrong done to the Turkish Muslim minority during the repressive regime of Zhivkov.

- that it is necessary that all Member States of the OIC avoid drawing any hasty conclusion based on the declaration so far issued by the new government in Bulgaria.

- that the Contact Group is of the view that the recommendations made by it in its first report to the Seventeenth Islamic Conference of Foreign Ministers should be adhered to and pursued until such time it is felt that the conditions of the Turkish Muslim minority in Bulgaria have taken a positive turn.

- that all efforts of the new government in Bulgaria in this regard should be fully supported and encouraged by all concerned and whatever little has been gained so far in this behalf should be capitalized and consolidated.

- that the Contact Group is of the view that the Muslim minority in Bulgaria should be allowed to play its due role in the present political process of democratization of the country and all necessary measures be adopted in this regard by the new government of Bulgaria.

1. Expresses its full support for the rights of the Turkish Muslim Minority in Bulgaria and its solidarity with their legitimate objective of securing respect for their religious, ethnic and cultural identity.

After detailed discussions on this issue, the Committee was of the opinion that the establishment of a single European Market will undoubtedly have an impact on the Islamic countries in trade, investments, as well as in manpower exports. The Committee, among others, felt the necessity of detailed and periodic in-depth studies by relevant OIC organs on economic and social repercussions of the establishment of the Unified European Market on the Islamic World and came up with ideas to overcome the difficulties that may arise therefrom, including the possibility of setting up an Islamic Common Market or any appropriate form of economic integration among Member States and submit an initial report to the Sixth Islamic Summit to be held in Dakar, Senegal in 1990.

ii) Regarding Agenda item No.56 on the activities under the auspices of the COMCEC, the Committee felt the need for the creation of new strategies within the existing Plan of Action and recommended that the Sixth Islamic Summit to be held in Dakar, Senegal in 1991, to issue new mandate for the COMCEC to that effect, taking into account the overwhelming economic changes taking place in the World since 1981 and their possible effects on the economies of the Islamic States.

iii) As for Agenda item No. 62 on "Foreign Debt of Africa", the Committee expressed deep concern at the negative social effects resulting from the compulsory implementation of the structural readjustment programmes linked to the heavy debt burden on the African Member States.

iv) As regards Agenda item No. 61, entitled "the Question of Antarctica", proposed by Malaysia, the Committee stressed the need for an International Regime for the comprehensive environmental protection and conservation of the continent, negotiated by all members of the international community.

v) Upon the proposals of the delegation of Guinea and Sierra Leone, a new Agenda item No. 63, on "Assistance to Liberian refugees living in the Republics of Guinea and Sierra Leone", was included. The Committee, expressing deep concern at the influx of Liberian refugees to neighbouring Guinea and Sierra Leone, adopted a resolution urging the Member States to extend all possible assistance to these brotherly countries.

vi) During the discussions on the Agenda item No. 65 on "Drug Abuse and Control of Narcotics", the delegation of the Kingdom of Saudi Arabia presented a comprehensive paper highlighting the Kingdom's efforts in combating the drug abuse and the illicit use of narcotics and also proposed some measures in this direction. The delegation of the Arab Republic of Egypt also suggested for adopting a few remedial measures on drug abuse and control of narcotics.

- The Committee, while discussing the above proposals along with the report of the Secretary General on this subject, expressed deep concern and adopted a comprehensive resolution unanimously.

6. The Committee invited the heads of the OIC subsidiary organs, specialized and affiliated bodies and their delegates to participate in the deliberations of the Committee.

7. The members of the Committee examined each item on the agenda separately, after hearing the explanations of each item, given, where necessary, by the General Secretariat and the heads of the OIC Cultural and Social Organs. Their efforts to achieve the results were appreciated.

8. The Committee then reviewed the annual report of the Islamic Solidarity Fund and its Waqf. The Committee heard with great interest the exhaustive expose of H.E. Ambassador Nasir bin Abdullah bin Hamdan, Chairman of the Permanent Council of the Islamic Solidarity Fund.

The Committee heard with interest the representative of the Arab Republic of Egypt regarding the continued support of Al-Azhar Al-Shareef to strengthen its relations with the Islamic Universities established by the OIC and other Islamic Universities, and urged these Islamic Universities to work to that end considering the usefulness of such cooperation for the service of Islam.

10. The Committee expressed concern that some of the cultural institutions, centres and universities established by the OIC in some Muslim States are not functional or are facing difficulties. There was a general consensus that the Member States need to accord priority to the OIC projects as the decisions to establish them have been taken at the highest level with the objective of attaining the objectives as envisaged in the Charter. The necessity is now even more in view of the challenges faced by the Muslim World.

Statement of Afghanistan

Mr. Chairman of the Cultural Committee of the Nineteenth Islamic Conference of Foreign Ministers,

Peace and Blessings of the Almighty be upon you.

Reviewing the agenda of the Nineteenth Islamic Conference of Foreign Ministers, we noted that it did not comprise an item on the education needs of the sons of the Afghan people. It was therefore necessary to draw the attention of the members of the committee to this issue, so that they may adopt a resolution befitting the standing of the Afghan nation which is an integral part of the Islamic Ummah.

Afghanistan, after 12 years of armed struggle against the Soviet aggression, is in dire need of the basic necessities of life, particularly education in the various fields.

Afghanistan was devastated by this war and is in dire need of assistance in the educational field, particularly within Afghanistan, because 90% of the country was liberated, under the leadership of the Mujahideen.

It is well known that the Mujahideen cannot solve the education problem of these areas and its inhabitants.

We hope and request the committee to recommend and propose the following to the Nineteenth Islamic Conference of Foreign Ministers:

1. Provide adequate assistance for the education of the Afghan generation, within Afghanistan, through the interim Islamic Afghan Government, to set up new schools and consolidate those existing at the various levels. Otherwise, whether we like it or not, this generation which has been wronged shall remain in a state of illiteracy, which is incompatible with Islam, the religion of dignity and science, turning against us and falling prey to the enemies of Islam, who are very active among the Afghani, through institutions set up under the pretext of assistance by non-Islamic nations.

2. Provide the assistance needed to the University of Al-Da'wa and Al-Jihad, established six years ago by the emigrants in the Islamic Republic of Pakistan, which teaches various disciplines. It now has five faculties: Shari'a, Usul-al-Din, Medicine, Engineering and Theology. Some 1100 students are enrolled in the university, which has a teaching corps of over 100. Two classes have already graduated last year and this year from the faculties of Shari'a and Usul-al-Din.

The University has since four years, been member of the Federation of Islamic Universities and its Executive Council for the current year.

At the section of Fiqh and Hadith, the University had started a year ago, Postgraduate courses at Masters level.

Kindly accept our sincere commitment to the cause of Islam and the Islamic Ummah.
