Dear Sir,

I would be grateful if you would provide me with advice on the status of Belau (Palau). I am greatly concerned about what has been said about the American Government holding parties, etc. prior to various votes in hopes of getting rid of either the nuclear-free Constitution or at least the effect of those nuclear-free clauses. Were international observers present at the 1986 plebiscite and what were the results of that vote?

Thank you ever so much for your attention and assistance.

Sincerely,

(Signed) Beverly J. T. DELONG
