REVIEW OF THE IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS ADOPTED BY THE GENERAL ASSEMBLY AT ITS TENTH SPECIAL SESSION

Iraq: draft resolution

The General Assembly,

Recalling its resolutions 39/148 L of 17 December 1984 and 40/152 J of 16 December 1985,

Noting with concern that the problem identified in the above-mentioned resolutions has not been alleviated,

Firmly convinced that all States have a vital interest in the success of disarmament negotiations,

Bearing in mind paragraph 22 of the Final Document of the Tenth Special Session of the General Assembly in which it affirmed that "all States have the duty to contribute to efforts in the field of disarmament" and that "all States have the right to participate in disarmament negotiations", as well as paragraphs 120 (g) and (h),

Recalling further its resolution 38/183 F of 20 December 1983, in which it called upon the Governments of all States to contribute substantially, inter alia, to halting and reversing the arms race, particularly in the nuclear field, and thus to reducing the danger of nuclear war,

1. Reiterates once more the right of all States not members of the Conference on Disarmament to participate in the work of the plenary sessions of the Conference on substantive questions;

2. Regrets that a non-member State has been deprived of its right of participation in the work of the Conference on Disarmament in its annual session of 1986;

3. Urges States members of the Conference on Disarmament not to misuse the rules of procedure of the Conference so as to prevent States not members from their right to participate in the work of the Conference.
