The Stockholm Conference on Confidence- and Security-Building Measures and Disarmament in Europe

The General Assembly,

Determined to achieve progress in disarmament,

Reaffirming the importance of continued efforts to build confidence, to lessen military confrontation and to enhance security for all,

Stresses that confidence- and security-building measures designed to reduce the dangers of armed conflict and of misunderstanding or miscalculation of military activities will contribute to these objectives,

1. Welcomes the adoption by the Conference on Confidence- and Security-Building Measures and Disarmament in Europe of the Document of the Stockholm Conference containing concrete, militarily significant, politically binding and verifiable confidence- and security-building measures;

2. Considers that the Document of the Stockholm Conference will contribute to furthering the process of improving security and developing co-operation in Europe, thereby contributing to international peace and security in the world as a whole.
