United Nations Regional Centre for Peace, Disarmament  
and Development in Latin America

The General Assembly,

Recalling its resolution 39/63 J of 12 December 1984, in which it requested the Secretary-General to provide assistance to such Member States in the regions concerned as might request it with a view to establishing regional and institutional arrangements for the implementation of the World Disarmament Campaign, on the basis of existing resources and of voluntary contributions which Member States might make to that end,

Mindful of the Lima Communiqué adopted by the Latin American Council of the Latin American Economic System at its twelfth regular meeting held at Lima on 16 and 17 October 1986 in which the Foreign Ministers, Ministers and Heads of Delegation of the Latin American and Caribbean countries reaffirmed their support for the establishment in Lima of a United Nations Regional Centre for Peace, Disarmament and Development in Latin America and requested the Secretary-General of the United Nations to take the necessary steps,

Reaffirming its resolutions 37/100 F of 13 December 1982, 38/73 J of 15 December 1983 and 39/63 F of 12 December 1984 on regional disarmament,

Bearing in mind resolution 40/151 G of 16 December 1985 which established the United Nations Regional Centre for Peace and Disarmament in Africa,

1. Decides to establish as of 1 January 1987, in accordance with resolution 39/63 J on the World Disarmament Campaign, the United Nations Regional Centre for Peace, Disarmament and Development in Latin America, with headquarters in Lima, on the basis of existing resources and, primarily, of voluntary contributions which member States and interested organizations may make to that end;

2. Decides also that the Centre shall provide, on request, substantive support for the initiatives and other activities of the Member States of the Latin American region for the implementation of measures for peace and disarmament, and for the promotion of economic and social development through appropriate reutilization of available resources, as well as co-ordinate the implementation of regional activities in Latin America under the World Disarmament Campaign;

3. Requests the Secretary-General to take the necessary administrative measures to ensure the establishment and functioning of the Centre, including, to that end the possible utilization of the existing United Nations infrastructure in Lima with a view to the full employment of available resources;

4. Invites Member States and interested organizations to make voluntary contributions to the Centre;

5. Requests the Secretary-General to report to the General Assembly at its forty-second session on the implementation of the present resolution.
