(ACT ON INTERNATIONAL CRIMINAL ASSISTANCE)

of the 20th of March, 1981

The Federal Assembly of the Swiss Confederation,

based on articles 103 and 114^{bis} of the Federal Constitution,
after examining a message by the Federal Council of the 8th of March, 1976,
resolves (as follows):

PART 1: GENERAL PROVISIONS

CHAPTER 1: SCOPE OF APPLICATION

SECTION 1: SUBJECT AND LIMITS OF COOPERATION

ART. 1 Subject

¹ Provided that international agreements do not provide otherwise, this act shall govern all procedures of international cooperation in criminal matters, especially

- a. the extradition of persons who are the subjects of criminal prosecution or convicted (part 2);
- b. assistance aimed at supporting criminal proceedings abroad (part 3);
- c. the transfer of proceedings and punishment of offences (part 4);
- d. the execution of foreign criminal judgments (part 5).

*) Note by the Secretariat: The present document is a direct reproduction of the text translated into English as provided to the Secretariat by the Government of Switzerland.

² In the application of this act, the sovereignty, security, public order or similar essential interests of Switzerland shall be taken into account.

³ This act shall apply only to criminal matters in which an appeal to a judge can be made according to the law of the requesting state.

⁴ This act shall confer no right to demand international co-operation in criminal matters.

SECTION 2: EXCLUSION OF REQUESTS

ART. 2 Procedural Defects

A request for cooperation in criminal matters shall not be granted if there are reasons to believe that the foreign proceeding

- a. does not meet the procedural requirements of the European Convention for the Protection of Human Rights and Fundamental Freedoms of 4th November, 1950, or
- b. is carried out so as to prosecute or punish a person on account of his political opinions, his belonging to a certain social group, his race, religion or nationality, or
- c. could result in aggravating the situation of the person pursued for any of the reasons mentioned under letter b, or
- d. is tainted with other grave defects.

ART. 3 Nature of the Offence

¹ A request shall not be granted if the subject of the proceeding is an act which, according to the Swiss concept, has a predominantly political character, constitutes a violation of the obligation to perform military or similar service or appears to be directed against the national defence or military strength of the requesting state.

² The plea (that an act is) of (a) political character shall not be taken into account if the act

- a. was aimed at the extermination or suppression of a population group on account of nationality, race, religion or ethnical, social or political relationship or
- b. appears particularly reprehensible because the offender, for the purpose of extortion or duress, jeopardized or threatened to jeopardize freedom, life or limb of men, especially by hijacking planes, taking hostages or using means of mass extermination.

³ A request shall not be granted if the subject of the proceeding is an offence which appears to be aimed at reducing fiscal duties or taxes or which violates regulations concerning currency, trade or economic policy. However, a request for judicial assistance under part 3 of this act may be granted if the subject of the proceeding is a duty or tax fraud.

ART. 4 Importance of the Offence

A request shall be rejected if the importance of the offence does not justify the carrying out of the proceedings.

ART. 5 Extinction of the Penal Claim

- ¹ A request shall not be granted insofar as
- a. in Switzerland or in the State where the offence was committed, the judge
 - acquitted the defendant or discontinued the proceedings for material reasons or
 - renounced or provisionally abstained from imposing a sanction;
 - b. the sanction was executed or cannot be executed according to the laws of the State where the sentence was passed;
 - c. its execution requires compulsory process and the prosecution or execution of the sentence were absolutely barred under Swiss law by the statute of limitations.

² Paragraph 1, letters a and b do not apply if the requesting State asserts that there are reasons for a revision of the final sentence in the sense of article 229 of the Act on Federal Criminal Procedure.

ART. 6 Concurrence of Exclusion and Admissibility
of Cooperation

¹ If the act imputed to the person pursued falls under several articles of the Swiss penal law, the request may be granted only with regard to these offences for which there are no reasons for exclusion and if there is a guarantee that the requesting State will respect the conditions imposed.

² Cooperation shall not be permitted if the proceedings concern an act which falls under several articles of the Swiss or foreign penal law and if, with regard to one of these offences, which covers the act in all its elements, a request may not be granted.

SECTION 3: SPECIAL RULES

ART. 7 Swiss Nationals

¹ No Swiss national may, without his written consent, be extradited or surrendered to a foreign State for prosecution or execution of sentence. The consent may be withdrawn until the time that the surrender is ordered.

² Paragraph 1 shall not apply to the transit or return of a Swiss national who is temporarily surrendered by a third State to the Swiss authorities.

ART. 8 Reciprocity

¹ As a rule, a request shall be granted only if the requesting State guarantees reciprocity. The Federal Office for Police Matters of the Federal Department of Justice and Police (Federal Office) may require a guarantee of reciprocity if this is deemed necessary.

² Reciprocity is in particular not necessary in cases of service of documents or if the execution of a request

a. seems advisable by reason of the type of offence or of the necessity of combating certain offences;

b. is likely to improve the situation of the person pursued or the prospects of his social rehabilitation;

c. serves to clarify an offence against a Swiss national.

³ The Federal Council may, within the scope of this act, give other states a guarantee of reciprocity.

ART. 9 Protection of Privacy

In the execution of requests, the protection of privacy shall be determined according to the provisions on the right of witnesses to refuse testimony. The principles of article 69 of the Act on Federal Criminal Procedure shall apply to the search and to the placing under seal of documents.

ART. 10 Privacy of persons not involved in the criminal proceedings

¹ Pieces of information about the privacy of persons who, according to the request, are not involved in the criminal proceedings abroad, may be given if they seem imperative to establish the facts and if the seriousness of the offence justifies it.

² Disclosure of manufacturing or business secrets in the sense of article 273 of the Penal Code, or of facts which a bank must usually keep secret shall not be allowed if it may be assumed to cause essential prejudice to the Swiss economy and does not appear justified in relation to the seriousness of the offence.

- b. on the choice of the appropriate procedure (art. 19);

⁴ An appeal may also be brought against inadmissible or obviously improper application of foreign law.

⁵ The provisions on the suspension of time limits (art. 34, para. 1 OJ) shall not apply to the time limits of this law.

- b. the State causing the transport to be made has previously informed the Federal Office by indicating the reason for surrender and the offence which is the basis for it.

³ In case of measures taken for prosecution or for execution of sentences in Switzerland, transit may be interrupted solely with the agreement of the Federal Office.

ART. 72 Maintaining of Custody

¹ If a detained person is surrendered to the Swiss authorities in the course of an act of assistance, the warrant for his arrest issued abroad shall also be valid in Switzerland for the period of his stay in Switzerland.

² During transit, the person pursued shall be kept in custody by virtue of the order for transit given by the Federal Office.

³ In those cases, the detained person may be released only with the agreement of the competent foreign authority.

ART. 76 Contents and Documents

In addition to the information and documents required by article 28, the following shall be specified in or enclosed with a request:

² It may impose conditions on the granting of assistance.

³ It shall issue the necessary orders for transit.

⁴ It shall request assistance which is needed outside criminal proceedings.

ART. 79 Cantonal Authorities

¹ The cantonal authorities shall decide on the granting of assistance and on questions of interstate procedure unless a federal authority is exclusively competent to do so.

² Insofar direct contacts between the competent Swiss and foreign prosecuting authorities are agreed upon, they deal with the merits of the request if the conditions of article 78, paragraph 1, are fulfilled.

³ Articles 6, 26 and 27 of the Federal Act on Administrative Procedure shall be applicable to the examination of records also in a cantonal proceeding. The entitled person may also examine the request for assistance and the accompanying documents as far as this is necessary for the safeguard of his interests. The defendant who is not personally affected by the measure of assistance is entitled to this right only if he has usual residence in Switzerland and only in the interest of safeguarding his rights of defence in the foreign criminal proceeding.

⁴ The Federal Office, in its capacity as supervising authority, may challenge the decrees of cantonal authorities by means of appeals provided by cantonal law according to article 23.

ART. 80 Investigations in Several Cantons

If the execution of a request necessitates investigations in several cantons, the Federal Office may charge the competent authority of one of these Cantons with directing the investigations. Articles 352 - 355 of the Swiss Penal Code apply by analogy.

ART. 81 Police Requests

¹ The commissioners of police of the Confederation and the cantons may make requests according to article 63 on their own behalf and may grant such requests emanating from foreign authorities.

² The Federal Council shall issue rules on the details and procedure.

SECTION 3: SPECIAL PROVISIONS

ART. 82 Safeguarding Privacy

¹ If facts which fall within the scope of privacy of a person who appears not to be involved in the offence prosecuted abroad were revealed to parties to the foreign proceedings during the execution of a request, the parties shall be excluded from the subsequent enquiries until the conditions for the disclosure of the secret are fulfilled.

² Information about such facts, which is contained in documents or decisions which are surrendered under article 74 or submitted for examination to the parties or to foreign authorities, shall be removed unless the conditions for disclosure are met.

³ The forwarding of information from privacy shall be subject to appeal according to articles 23 and 25.

ART. 83 Conclusion of the Assistance Proceeding

¹ When the executing authority considers the assistance proceeding concluded, it shall forward the files to the competent cantonal or federal authority. This authority shall check whether the request has been executed correctly and, if necessary, return the files to the executing authority for completion.

² The documents of execution may be delivered to the requesting authority

- a. if no appeals were made during the execution of the request;
- b. if the check under paragraph 1 shows that neither secrets of third persons are affected nor that there are doubts regarding the granting of assistance.

³ If the conditions of paragraph 2 are not fulfilled, a decree subject to appeal shall order if and to what extent or in what form the documents of execution are delivered.

ART. 84 Costs

The requesting State is charged the costs for

- a. experts;
- b. surrender of objects for return to the entitled person.

PART 4: TRANSFER OF PROCEEDINGS

CHAPTER 1: CONDITIONS

SECTION 1: ASSUMPTION BY SWITZERLAND

ART. 85 Principle

¹ Switzerland may exercise its jurisdiction instead of the State of perpetration with respect to an offence committed abroad if

- a. extradition is not permitted;
- b. the person pursued has to answer in Switzerland for other more serious offences and
- c. it is guaranteed that the requested State will not prosecute him for the same offence after acquittal or execution of sentence in Switzerland.

² The prosecution of an alien who has his habitual residence in Switzerland may also be assumed if his extradition cannot be justified and the assumption of the prosecution seems appropriate with regard to his personal situation and social rehabilitation.

³ These rules shall not apply if the offence is subject to Swiss jurisdiction on the basis of other provisions.

ART. 86 Applicable Law

¹ The offence shall be judged according to Swiss law as if it were committed in Switzerland.

² The foreign law shall apply if it is more lenient. The judge may impose only sanctions provided by Swiss law.

³ Proceedings in the absence of the defendant shall not be permitted.

ART. 87 Jurisdiction

If there is no Swiss jurisdiction yet, it shall be determined according to article 348 of the Swiss Penal Code .

SECTION 2: TRANSFER TO FOREIGN STATES

ART. 88 Conditions

An other State may be requested to assume the prosecution of an offence subject to Swiss jurisdiction if its laws allow prosecution and judicial punishment of the offence and if the person pursued

- a. has his residence there and if his extradition to Switzerland were inappropriate or not permitted or if he
- b. is extradited to this State and if the transfer of the prosecution were to lead to the expectation of a better social rehabilitation.

ART. 89 Effects

¹ If an other State assumes prosecution, Swiss authorities may not take further measures against the person pursued because of the same offence

- a. as long as the requested State has not given notice that it is not in a position to conclude the prosecution, or
- b. if according to the decision rendered in this State the conditions of article 5, letter a or b, are met.

² The effects of the statute of limitations shall be suspended as long as the procedure including execution of the sentence is pending in the requested State.

³ If the person pursued was extradited to the requested State for other offences, this State need not observe the conditions of extradition according to article 38 insofar as it grants the request for prosecution.

CHAPTER 2: PROCEDURE

ART. 90 Documents

In addition the documents specified in article 28, paragraph 3, the record of criminal proceedings as well as possible exhibits shall be enclosed with the request.

ART. 91 Decision on the Request

¹ The Federal Office shall decide after discussion of the case with the prosecuting authorities whether the foreign request will be accepted.

² If it accepts the request, it shall transmit the file to the prosecuting authority and notify the requesting State and the concerned person.

³ This decision shall not create an obligation to institute criminal proceedings.

⁴ The Federal Office may deny assumption of the prosecution if there are pertinent reasons against it or if the significance of the offence does not justify it.

ART. 92 Foreign Acts of Investigation

Any act of investigation carried out by the authorities of the requesting State according to its law shall be considered equal to a corresponding Swiss act of investigation.

ART. 93 Costs

¹ The costs of the proceedings fixed by the requesting State shall be added to the costs of the proceedings in Switzerland and collected. They will not be refunded to the requesting State.

² The cantons shall dispose of paid fines, confiscated objects or forfeited amounts.

³ The requested State shall be notified of the costs of the proceedings incurred in Switzerland if the requested State assumes prosecution. Their reimbursement shall not be required.

PART 5: EXECUTION OF CRIMINAL JUDGMENTS

CHAPTER 1: CONDITIONS

SECTION 1: ASSUMPTION BY SWITZERLAND

ART. 94 Principle

¹ Final and enforceable criminal judgments of an other State may be executed upon its request if

- a. the convicted person has his habitual residence in Switzerland or has to answer here for a serious offence;
- b. the subject of the conviction is an offence committed abroad which, if similarly committed in Switzerland, would be punishable here, and
- c. execution in Switzerland seems to be appropriate for one of the reasons specified in article 85, paragraphs 1 and 2, or likely to be barred in the requesting State.

² (Penal) sanctions imposed abroad shall be executed insofar as they do not exceed the maximum penalty provided by Swiss law for a corresponding offence. (Penal) sanctions that remain below the minimum penalty according to Swiss law may be executed.

³ These rules shall not apply if the Penal Code explicitly excludes (art. 6 PC) or explicitly prescribes (art. 5 PC) the execution of the penalty imposed abroad.

⁴ Fines as well as costs arising from procedures according to article 63 may also be levied if the convicted person has his habitual residence abroad but has assets at his disposal in Switzerland and if the requesting State grants reciprocity.

ART. 95 Inadmissibility of the Declaration of Execution

¹ The declaration of execution (exequatur) shall not be permitted if

- a. the conviction took place at a time when, under Swiss law, the prosecution would have finally come within the statute of limitations;
- b. the (penal) sanction would have come within the statute of limitations according to Swiss law if a Swiss authority had imposed it at the same time, or

c. the offence is also subject to Swiss jurisdiction and if according to Swiss law no sanction can be imposed for other reasons.

² Decisions on costs shall be declared executable only if the costs are to be paid to the State.

ART. 96 Denial of Execution

The judge shall partly or completely deny execution if

- a. the convicted person has incurred a sanction with deprivation of liberty in Switzerland because of other offences and if the requested execution resulted in an obviously more severe punishment than if the offences taken as a whole were to be judged in Switzerland, or
- b. the execution of one of the accessory penal measures in Switzerland is not permitted, or
- c. he estimates that the convicted person for good cause opposes the execution of a judgment or penal decree that was rendered in his absence and that is no longer subject to an objection or appeal according to the law of the requesting State.

ART. 97 Binding Force of the Finding of Facts

When judging the punishability and the possibility of prosecution under Swiss law, the judge shall be bound to the finding of the facts on which the (foreign) decision relies. As far as they do not suffice, the gathering of (additional) evidence may be ordered.

ART. 98 Effects of Assumption

If Switzerland assumes the execution, criminal proceedings against the convicted person for the same offence must not be instituted or continued here.

ART. 99 Utilization of Swiss Institutions by Foreign States

¹ If the conditions of article 94, paragraph 1 are not met, sanctions restraining personal liberty which have been imposed upon a non-Swiss national in another State may be executed in Switzerland under Swiss law if the other State cannot execute them itself.

² In this case, the final and enforceable foreign decision shall constitute the legal base for the restriction of the convicted person's personal liberty.

³ If persons are surrendered to Switzerland according to paragraph 1, they may be neither prosecuted nor punished nor extradited to a third State by the Swiss authorities for offences that they committed before their surrender and that were not the object of their convictions unless there are arrangements to the contrary made with the competent authorities of the surrendering State. These effects shall expire ten days after conditional or final release from the institution.

⁴ The Federal Council shall issue rules on the details.

SECTION 2: TRANSFER TO A FOREIGN STATE

ART. 100 Principle

An other State may be requested to assume the execution of a Swiss criminal judgment if

- a. the observation of the binding force of the judgment according to article 97 is guaranteed and
- b. the transfer of the execution leads to a reasonable expectation of better social rehabilitation of the convicted person or if Switzerland cannot obtain his extradition.

ART. 101 Conditions of Transfer

The convicted person who is detained in Switzerland may only be transferred with a view to execution (of the judgment) under article 100 if he agrees and if the requested State can be expected to accept the conditions set by the Federal Office.

ART. 102 Effects of Transfer

¹ If an other State assumes the execution of the criminal judgment, the Swiss authority shall renounce execution as long as the requested State has not communicated that it will not conclude it.

² The convicted person may be taken into custody so as to guarantee his transfer.

³ Articles 89, paragraph 2 and 3 apply by analogy.

CHAPTER 2: PROCEDURE

SECTION 1: REQUEST

ART. 103 Documents

In addition to the documents specified in article 28, paragraph 3, the following shall be enclosed with a request:

- a. the original or an officially authenticated copy of the sentence with a certificate attesting that it is legally enforceable;
- b. a certificate attesting the (period of) detention suffered in the requesting State;
- c. if the requested State so requests, the original or officially authenticated copy of the penal file.

ART. 104 Decision on the Request

¹ The Federal Office, after conferring with the authority which will execute the request, shall decide whether to accept the foreign request. If it accepts, it shall convey the file and its opinion to the executing authority and inform the requesting State. Article 91, paragraph 4 applies by analogy.

² If there is Swiss jurisdiction and if a sanction which is more severe than the one provided by Swiss law was imposed abroad, the prosecution may be assumed instead of the execution of the judgment if the requesting State so requests.

SECTION 2: PROCEDURE OF EXEQUATUR

ART. 105 Competent Judge

The judge who is competent under article 348 of the Swiss Penal Code shall inform the convicted person of the applicable procedure, hear him in the matter, as well as his attorney, and decide on execution.

ART. 106 Declaration of Exequatur

- 1 The judge ex officio shall examine whether the conditions for execution are met and gather the necessary evidence.
- 2 If the conditions are met, the judge shall declare that the sentence can be executed and take the measures necessary for execution.
- 3 The decision shall be rendered in the form of a judgment containing a statement of the rationale therefore. The cantonal law shall provide one appeal.

SECTION 3: EXECUTION

ART. 107 Execution of the Sanction

- 1 The sanction determined by the judge shall be executed according to Swiss law.
- 2 Execution shall be terminated if the sentence is no longer enforceable in the requesting State.
- 3 If a decision solely on costs was executed, the amounts collected after deduction of the costs resulting from the execution will be transferred to the requesting State if it guarantees reciprocity.

ART. 108 Costs

In addition to the costs for the execution of the sanction, those for the procedure of exequatur and other measures of execution shall also be considered costs according to article 31.
