LETTER DATED 19 FEBRUARY 1987 FROM THE PERMANENT REPRESENTATIVE
OF IRAQ TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

On instructions from my Government and with reference to our many letters concerning the criminal Iranian régime's persistence in bombing purely civilian targets in Iraq, the latest of which was the letter contained in document S/18689, I have the honour to transmit herewith the list of areas shelled by Iranian artillery on 17 and 18 February 1987. These bombings killed five civilians and wounded 19 and damaged civilian property.

I should be grateful if you would have this letter and its annex circulated as a document of the Security Council.

(Signed) Ismat KITTANI
Permanent Representative
