Twenty-sixth session

THE SITUATION IN THE MIDDLE EAST

Letter dated 26 March 1971 from the Chargé d'affaires a.i. of the Permanent Mission of Jordan to the United Nations addressed to the Secretary-General

Further to my delegation's letters of 8 January 1971 (A/8270, S/10073 and A/8271, S/10074) pertaining to the forcible deportation by Israel of 347 Arab inhabitants from the territories under its occupation and upon instructions from my Government, I regret to bring to Your Excellency's attention further deportations.

Since 8 December 1970, and up to 24 February 1971, one hundred eleven (111) Arab inhabitants from the West Bank of Jordan and the Gaza Strip were forcibly expelled and deported to the East Bank of Jordan under inhuman conditions.

I attach eight lists in Arabic of the names of those expelled, the date of their expulsion, the names of their towns or villages and their ages.

Israel's continued measures of systematic expulsion of Arab inhabitants from territories occupied since June 1967, together with confiscation of Arab property and the establishment of Jewish settlements, prove beyond any shadow of doubt Israel's policies of expansionism and colonization based on its philosophy of racial discrimination: Zionism. It is an irony that this happens in the year 1971, which is being observed as the International Year for Action to Combat Racism and Racial Discrimination, and at a time when the civilized world is observing the International Day for the Elimination of Racial Discrimination.

* Also issued under the symbol S/10165.

In view of such Israeli systematic discriminatory measures it has become urgent that more effective steps be taken to end once and for all such shameful Israeli disregard for basic human rights. Those measures are in direct violation of the Geneva Conventions of 1949 and repeated United Nations resolutions, particularly Security Council resolution 237 (1967).

May I request Your Excellency to bring this letter to the attention of the Commission on Human Rights and the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Population of the Occupied Territories.

I will be grateful if this letter together with the lists of expellees and their transliteration into English be circulated as General Assembly and Security Council documents.
