17. The Conference's intergovernmental segment is expected to have an opening ceremony, high-level segment, dialogue with major groups, plenary meetings and official statements. Ministerial round tables may be held in parallel to the plenary meetings. The Conference's multistakeholder segment will include thematic/Hyogo Framework for Action sessions, study tours and side events to be held in Sendai and other municipalities affected by the Great East Japan Earthquake. The Conference will also have a public forum and social events, which will include a film festival, architecture exhibit, receptions and ceremonies. Public events will be held in venues outside the restricted zone, thus enabling members of the public to enter freely.
