I. INTRODUCTION

1. At its 224th and 225th meetings, on 17 and 18 September 1975, the General Committee considered a memorandum by the Secretary-General relating to the organization of the thirtieth regular session of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/183 and Add.1). A summary of the discussion will appear in the summary records of the meetings (A/BUR/SR.224 and 225).

II. ORGANIZATION OF THE SESSION

Schedule of meetings

2. On the proposal of the Secretary-General (A/BUR/183, paras. 2 and 3), the General Committee recommends to the General Assembly the following arrangements relating to the schedule of meetings:

(a) Plenary and committee meetings should begin at 10.30 a.m. and 3 p.m.;

(b) A five-day working week should be established, on the understanding that meetings on Saturdays, as well as night meetings, may be scheduled if necessary.

3. In this connexion, the General Committee wishes to stress the need for punctuality in opening meetings and to draw the General Assembly's attention to the text of rules 67 and 108 of the rules of procedure (A/520/Rev.12), whereby the President of the General Assembly may declare a meeting open and permit the debate to proceed when at least one third of the members are present, and the Chairman of a Main Committee may declare a meeting open and permit the debate to proceed when at least one quarter of the members are present.

General debate

4. At the suggestion of the Secretary-General (A/BUR/183, para. 4), the General Committee wishes to draw the General Assembly's attention to the following conclusions of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly which were approved by the Assembly at its twenty-sixth session:

(a) The length of the general debate should not normally exceed two and a half weeks (A/520/Rev.12, annex V, para. 45);

(b) The list of speakers wishing to take part in the general debate should be closed at the end of the third day after the opening of the debate (ibid., para. 46);

/...

(c) Speakers should, as far as possible, avoid putting down their names to speak on a given item and at the same time indicating an alternative meeting if they are unable to keep to their original schedule (ibid., para. 70);

(d) Representatives should speak in the order of their inscription on the list of speakers, on the understanding that those prevented from doing so should normally be moved to the end of the list, unless they have arranged to change places with other representatives (ibid., para. 71).

5. Also at the suggestion of the Secretary-General (A/BUR/183, para. 5), the General Committee recommends that:

(a) The general debate should begin on Monday, 22 September and end on Wednesday, 8 October 1975;

(b) The list of speakers wishing to take part in the general debate should be closed on Wednesday, 24 September, at 6 p.m.

Right of reply

6. At the suggestion of the Secretary-General (A/BUR/183, para. 6), the General Committee wishes to draw the General Assembly's attention to the recommendation of the Special Committee, which was approved by the Assembly, whereby statements made in the exercise of the right of reply should be delivered, as a general rule, at the end of meetings (A/520/Rev.12, annex V, para. 78). Furthermore, the General Committee recommends that delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day.

7. Also at the suggestion of the Secretary-General (A/BUR/183, para. 7), the General Committee wishes to recommend to the General Assembly that statements in the exercise of the right of reply should be limited to 10 minutes.

Closing date of the session

8. At the suggestion of the Secretary-General (A/BUR/183, para. 8), the General Committee proposes to the General Assembly, in accordance with rule 2 of the rules of procedure, that the closing date of the thirtieth session should be Tuesday, 16 December 1975.

Records of the Main Committees

9. As pointed out by the Secretary-General (A/BUR/183, para. 9), rule 58 of the rules of procedure stipulates that the First Committee shall be provided with verbatim records and that no organ of the General Assembly shall have both

/...

verbatim and summary records. The General Committee therefore recommends that the verbatim records should be the official records of the First Committee and the summary records should remain the official records of all other Main Committees. In this connexion, the General Committee also recommends to the General Assembly that the option that has traditionally been approved for the Special Political Committee to obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof, should be maintained for the thirtieth session. Furthermore, the General Committee wishes to draw the General Assembly's attention to paragraph 10 (e) of its resolution 2538 (XXIV) of 11 December 1969, which reads as follows:

"Speeches or statements by representatives, by the Secretary-General or his representative, or by persons presenting reports on behalf of committees or other bodies, may be reproduced in extenso in summary records or as official documents only if they serve as bases for discussion, provided that the relevant decision is taken by the body concerned after a statement of the financial implications has been submitted in accordance with regulation 13.1 of the Financial Regulations of the United Nations."

Seating arrangements

10. The General Committee took note of the seating arrangements to be observed in the plenary and in the Main Committees (A/BUR/183, para. 10).

Use of the General Assembly Hall by the Main Committees

11. The General Committee took note of the fact that, in addition to the General Assembly Hall, only five conference rooms (Conference Rooms 1 to 4 and the Trusteeship Council Chamber) can accommodate the membership of the Organization, making it possible to hold no more than six meetings simultaneously; at the suggestion of the Secretary-General (A/BUR/183, para. 11), the General Committee therefore proposes that all the Main Committees should make full use of the General Assembly Hall when no plenary meeting is being held.

Mechanical means of voting

12. At the suggestion of the Secretary-General (A/BUR/183, para. 12), the General Committee proposes that the Main Committees make full use, on a rotating basis, of the mechanical means of voting available in both the General Assembly Hall and Conference Room 3.

Financial implications of draft resolutions

13. At the suggestion of the Secretary-General (A/BUR/183, para. 13), the General Committee would like to draw the attention of the General Assembly to rule 153 of the rules of procedure which reads as follows:

"No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations."

In this connexion, the General Committee wishes to recommend that the General Assembly should draw the attention of the Main Committees to the imperative need for allowing sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and by the Fifth Committee and to the advisability of taking this requirement into account when they adopt their programme of work, so that items for which financial implications are expected may be considered as early as possible.

Reports of the Main Committees

14. At the suggestion of the Secretary-General (A/BUR/183, para. 14), the General Committee wishes to recommend that the General Assembly should draw the attention of the Main Committees to Assembly resolution 2292 (XXII), which was reaffirmed by the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly (A/520/Rev.12, annex V, para. 43), whereby the reports of the Main Committees should be as concise as possible and, save in exceptional cases, should not contain a summary of the debates.

III. ADOPTION OF THE AGENDA

15. The General Committee considered the draft agenda of the thirtieth session submitted by the Secretary-General in his memorandum (A/BUR/183, para. 19, A/BUR/183/Add.1, paras. 1-3). All the items contained in the draft agenda formed part of the following documents:

19. Following a suggestion by the Secretary-General (A/BUR/183, para. 18), the General Committee decided to recommend that item 89 (Question of Territories under Portuguese domination) and item 91 (Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Southern Rhodesia, Namibia and Territories under Portuguese domination and in all other Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa) of the draft agenda should be reworded as follows:

(a) By 9 votes to 8, with 7 abstentions, it decided to recommend the inclusion of item 120 in the agenda;

(b) By 17 votes to none, with 7 abstentions, it decided to recommend the inclusion of item 121 in the agenda;

(c) It then decided to recommend that items 120 and 121 should be combined under the heading "Question of Korea" as follows:

"Question of Korea:

(a) Creation of favourable conditions for converting the armistice into a durable peace in Korea and accelerating the independent and peaceful reunification of Korea;

(b) Urgent need to implement fully the consensus of the twenty-eighth session of the General Assembly on the Korean question and to maintain peace and security on the Korean peninsula."

21. In connexion with item 123 of the draft agenda (Need to extend the definition of aggression in the light of the present international situation), the General Committee took note of the fact that the sponsor of the request for the inclusion of the item had temporarily withdrawn that request.
