Agenda item 26

INTERNATIONAL CONTROL OF ATOMIC ENERGY

Union of Soviet Socialist Republics: draft resolution

The General Assembly,

Considering that it is essential to proceed immediately to prepare draft conventions for the prohibition of the atomic weapon and the control of atomic energy,

Decides

1. To instruct the United Nations Atomic Energy Commission to resume its work and to proceed immediately to prepare a draft convention for the unconditional prohibition of the atomic weapon and a draft convention for the international control of atomic energy, bearing in mind that both these conventions should be concluded and brought into effect simultaneously,
2. To instruct the said Commission to prepare the draft conventions referred to in paragraph 1 above and submit them to the Security Council not later than 1 June 1951.
