draft resolution

The General Assembly,

Deeply concerned with the recent deterioration in international relations which threatens the world with grave consequences,

Aware of the great expectancy of the world that this Assembly will assist in helping to prepare the way for the easing of world tension,

Conscious of the grave and urgent responsibility that rests on the United Nations to initiate helpful efforts,

Requests, as a first urgent step, the President of the United States of America and the Chairman of the Council of Ministers of the Union of Soviet Socialist Republics to renew their contacts interrupted recently, so that their declared willingness to find solutions of the outstanding problems by negotiation may be progressively implemented.
