OTHER PERSONNEL QUESTIONS

Amendment to the Staff Regulations of the United Nations

Report of the Advisory Committee on Administrative and Budgetary  
Questions to the General Assembly at its twenty-sixth session

1. The Secretary-General has proposed that the gross base salary of the Administrator of the United Nations Development Programme be increased from \$US47,000 to \$US56,000 (\$US34,600 net) to bring it into line with that of the executive head of a major specialized agency (A/C.5/1398/Add.1). This would be done by amending annex 1, paragraph 1, of the Staff Regulations.
2. Since pursuant to General Assembly resolution 2481 B (XXIII) the same annex provides that the status of the Administrator is equivalent to that of the executive head of a major specialized agency, the Advisory Committee concurs in the Secretary-General's proposal.
