The printed official records of the General Assembly are published in fascicule form, the record of each meeting being issued separately. In order that the fascicules may subsequently be bound in volumes by organ and session, the pagination is continuous throughout each series of records of a single body. At the end of the session, a prefatory fascicule is issued for each series, containing a table of contents, list of members, agenda and other prefatory matter.

After the close of the session, collated sets of fascicules will be placed on sale for the general public.
